PETITION SUPPORTING THE INSTALLATION OF SPEED HUMPS/CUSHIONS

We, the undersigned residents of , from to , do hereby request that the City of Hermosa Beach install speed humps/cushions on our street. By signing below, we understand that the speed humps/cushions with related signage and street stenciling may be installed in front of our house and may eliminate our ability to park along the street.

We also understand that installing speed humps/cushions may increase traffic noise and emergency response time to our home.

We agree that if in the future we desire to remove the speed humps/cushions, the humps or cushions will be only considered for removal after receipt of a petition from 67% or more of the total number of residences asking for the removal, along with sufficient funds for their removal (up to $1,000 per hump/cushion). Note that the City may remove any or all of the humps/cushions at any time for safety reasons at no cost to the abutting property owners.
