An unknown person entered the employee area of the hotel, and removed the wallet of an employee. Attempts to use the credit cards were done by the unknown suspect.			

TIPS

Never leave personal items, such as a handbag, backpack, or cellphone, unattended. While it might be more convenient to leave a handbag in the grocery cart while you're grabbing an item off of a shelf, or your backpack on a table while in the restroom, it only take a few seconds to become a victim of crime.
