NOTICE OF UPCOMING HERMOSA AVENUE CONSTRUCTION

September 12, 2018

Subject: Hermosa Avenue Pavement Resurfacing Project (CIP 16-174)

Dear Occupant/Property Owner:

This notice is to let you know that the City of Hermosa Beach will begin construction the week of Sept. 17 on Hermosa Avenue between 10th Street (south) and 26th Street (north), highlighted on the map to the right. The project will include the following improvements:

- Remove and re-construct curb ramps to meet current Americans with Disability Act (ADA) requirements
- Remove and replace selected portions of curbs and gutters as well as sidewalk
- Grind existing asphalt street surface and resurface with new asphalt
- Install new crosswalks at 10th, 11th, 13th and 14th streets; as well as new bus shelters, benches and trash receptacles along the route.
- Upgrade traffic signals at 11th, 13th and 14th streets.

Hermosa Avenue Project Location

Construction Schedule Seeks to Minimize Inconvenience

To minimize inconveniences, the construction work will be split into several phases with three to four blocks under construction at a time. Every effort will be made to keep one lane of travel open in each direction and to limit parking restrictions to the minimal area needed to safely complete the work. Most construction will take place between 8 a.m. and 6 p.m. Monday through Friday. However, some crosswalk installations may occur during nighttime hours to minimize traffic delays.

Construction on the Hermosa Avenue project is expected to take approximately 80 working days spread over five months and will avoid weekends, holidays, and the peak holiday shopping season. The project is scheduled to be completed in February, pending weather delays and other unforeseen conditions.

Additional Notifications will be Made as Work is Scheduled Near Your Home or Business

As the project work is scheduled to begin in your immediate neighborhood, additional updates and notifications will be posted on the City website, and fliers will be provided to residents and businesses that will provide details for:

- Street sweeping and trash collection schedule changes
- Temporary parking restrictions
- Sidewalk and street closures or detours
- Temporary changes to transit stops

Additional Project Information and Updates

For more information on the project, or to review the latest construction updates please visit:

- The City website: <http://www.hermosabch.org/constructionupdates>
- The City of Hermosa Beach on Facebook: <https://www.facebook.com/hermosabeachcity/>

Should you have additional questions and/or concerns, please call the Public Works Department at 310-318-0214 or the Construction Manager, John A. Wolitarsky, at 949-339-9154.

Thank you in advance for your understanding and cooperation during the construction of this important project to improve transportation and enhance walkability and access in downtown Hermosa Beach.

Sincerely,

Lucho Rodriguez, P.E.

Project Manager
