NOTICE OF WORK

3001 Tower Crane Erection

PACIFIC COAST HIGHWAY REDUCED TO ONE LANE IN EACH DIRECTION NEAR SKECHERS DEVELOPMENT PROJECT IN HERMOSA BEACH ON SEPTEMBER 10-11 & 17-18, 2022

Skechers Corporate HQ
August 10, 2022

Dear Residents and Businesses:

In addition to the 2901 Pacific Coast Tower Crane dismantle, MCCARTHY BUILDING COMPANIES, INC., (Contractor), will be performing work along Pacific Coast Highway/Sepulveda Blvd. **This work will consist of closing the Southbound lanes of PCH/Sepulveda Blvd** to erect the tower crane at the Skechers Project located at 3001 Pacific Coast Highway, Hermosa Beach, CA.

- **Start:** Saturday, September 10th & 17th 2022, at 9:00 AM
- **End:** Sunday, September 11th & 18th, 2022 at 5:00 PM.

What to Expect:

- **One of the northbound lanes of PCH will be temporarily converted for southbound travel and the middle lane will be used as a median.** We expect minor travel delays along PCH in the Beach Cities.
- Electronic message boards, directional signage, and flaggers will be used to direct vehicles and pedestrians around the construction zone.
- Temporary sidewalk closure along west side of PCH with detours for people walking.
- Access to Dunn Edwards will be provided with the assistance of flaggers.
- The Metro Line 232 bus stop on southbound PCH at Longfellow St. has been moved.
- **Please note: due to the size of the tower crane, it is not possible to reopen the southbound PCH lanes outside of construction work hours.****

We apologize for the inconvenience this work may cause. We are working in partnership with the City of Hermosa Beach to publicize the upcoming lane closures throughout the area.

Questions? Contact Callie Nottingham (Sr. Project Manager) at 949-565-9136, for a 24-hour response. A secondary contact is: Alex Wright (Project Manager) at 714-654-3336.
