

**STATEMENT OF DANIEL F. GODWIN
CANDIDATE FOR MEMBER OF THE CITY COUNCIL, term ending November 2026
CITY OF HERMOSA BEACH GENERAL MUNICIPAL ELECTION**

Occupation: Program Manager/Military Officer (Air Force Reserve)

Fellow Hermosans,

I am an 11-year resident who fell in love with our beautiful, vibrant community. Ultimately, I want to preserve Hermosa's way of life and restore the city's fiduciary responsibility, accountability & professionalism.

As your Councilmember, I pledge to:

Govern responsibly by performing comprehensive budget reviews, prioritizing spending, improving transparency, addressing community issues & removing unnecessary bureaucracy.

Keep Hermosa safe & beautiful by assuring public safety, protecting our beaches/waters, focusing on capital improvements, addressing the transient issue, properly maintaining public areas (streets & sidewalks), and continue our legacy as 'Best Little Beach City'.

Serve the people & support local business by preserving individual freedoms, lessening government overreach, mitigating gentrification impacts & focusing on local initiatives.

It would be an honor to receive your vote and serve our community. For details on my "road to success" plan, please visit the website below and/or email me at:
