You deserve a City that deeply cares about you – a City that quickly responds to your daily needs to elevate your quality of life and the mission of your community. You deserve action with visible results.

Hermosa Beach is a City of doers, filled with people who inspire me to seek re-election and continue serving the “Best Little Beach City.” As your Councilmember, I helped our City prioritize your needs and worked diligently to get things done.

While we’re moving in a positive direction, there’s much to be accomplished. I remain dedicated to:

- Elevating post-pandemic business vibrancy and the outdoor experience
- Eliminating City inefficiencies
- Ensuring fiscal responsibility
- Making Hermosa a more welcoming City
- Seeing Hermosa live up to its name, “beautiful”

My life is built on decades of successful public service as a pragmatic, principled and caring leader. As your re-elected Councilmember, I will continue working to make Hermosa Beach better for you, for families, and for our beloved local businesses.

Re-elect Councilmember Ray “Action” Jackson. Thank You!
