CERTIFICATION OF EXEMPTION FROM WORKER'S COMPENSATION INSURANCE

I certify that in the performance of the work for which this permit is issued, I shall not employ any person in any manner so as to become subject to the Worker's Compensation laws of the State of California.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

**CONTINUED ON THE FOLLOWING PAGE.**

### ADDITIONAL PERMIT CONDITIONS & DECLARATIONS

Work authorized by this permit is subject to all rules and regulations set forth in the ordinances and amendments of the City of Hermosa Beach, the laws of the State of California regarding such work, and all amendments thereto.

\_\_\_\_\_ **PERMIT TIME FRAMES:** This permit becomes null and void if work is not commenced within one (1) year from the date of issuance, or if work is suspended at any time during construction for anytime longer than ninety (90) days, or if any work is done in violation of the City or State laws governing the same.

\_\_\_\_\_ **RE-INSPECTION FEES:** I acknowledge that a fee may be charged for re-inspection due to negligence, incomplete work, or failure to make corrections.

\_\_\_\_\_ **SUB TRADES LIST:** It shall be the responsibility of every general contractor, or Owner-Builder to require subcontractors under their control or direction to obtain a business license, which will be verified prior to final.

\_\_\_\_\_ **HAZARDOUS MATERIALS:** Due to the possible presence of lead-based paint and asbestos, lead/asbestos-safe work practices are required for all repairs in pre-1979 buildings that disturb paint, etc. Failure to do so could create hazards that violate California Health and Safety Code Sections 17920.10 and 105256 and may be subject to a \$1000 fine or criminal prosecution. For more information call 1-800-LA-4-LEAD, or AQMD 909-396-2000. I acknowledge that there are no HAZARDOUS MATERIALS on the referenced site, or that I am in compliance with California Health and Safety Code 25505, 25533, 25534; which requires a South Coast AQMD and Los Angeles County Fire Permit.

\_\_\_\_\_ **PEDESTRIAN PROTECTION AND PROTECTION OF PRIVATE PROPERTY DURING CONSTRUCTION:** Adjoining and nearby public and private property and persons making lawful use of such property shall be protected from damage during construction, remodeling, and demolition work. Protection must be provided for footings, foundations, party walls, chimneys, skylights, roofs, walls, fences, etc. A pre-inspection is required before any work is started.

\_\_\_\_\_ **CONSTRUCTION SITE BEST MANAGEMENT PRACTICES (BMP'S):** Minimum requirements for sediment control, erosion control, and construction activities must be implemented on each project site. Construction related materials, non-stormwater runoff, wastes, spills, or residues shall be retained on site to minimize transport from the site to streets, drainage facilities or adjoining properties by wind or runoff. Runoff from equipment and vehicle washing shall be contained at construction sites.

\_\_\_\_\_ **CONSTRUCTION AND DEMOLITION WASTE REDUCTION:** Per state law, A minimum of 65% of construction and demolition debris must be recycled for all newly constructed buildings and demolition in preparation for said new construction, and 50% of construction/demolition debris must be recycled for other projects.

\_\_\_\_\_ **RIGHT OF ENTRY:** I certify that I am the property owner or authorized to act on the property owner's behalf and I hereby authorize representatives of the City to enter the property for which this permit is issued for the purpose of inspections.

I certify that I am the property owner or authorized to act on the property owner's behalf. I certify that I have read this application and state that the above information is correct. I agree to comply with all City and applicable County ordinances, and State laws relating to building construction.
