	LACoFD Inspection Checklist
Insp. DATE DATE	Req'st Rcvd         # TIMES INSPECTED         PROJECT ADDRESS &/OR IDENTIFIER
	I.) PV/ ESS PERMITTING PROCESS — GENERAL
1.) INSPECTI	ION REQUEST / SCHEDULING
a.) <mark>Befo</mark> r	re Making Request for FD Inspection: Applicant shall (#1) Ensure Compliance with this Checklist
and (#	#2) Have the Following Ready to Provide to the Los Angeles County Fire Department (LACoFD):
i.)	Address and Occupancy Classification of Project Site (per the Building- and Fire-Code classification).
ii.)	Digital Proof of Construction Permit obtained from the jurisdictional Building and Safety Department,
i	including any inspection checklist provided therewith.
iii.)	LACoFD ESS/PV Installation Declaration Document for R-3/ R-4, completed, & installation photo(s).
iv.)	Invoicing Information for Fire-Department for Fire Prevention Division Inspection Services:
	<sup>(1)</sup> Contractor Name <sup>(4)</sup> Full Name (to which the bill is to be addressed)
	<sup>(2)</sup> Contractor License Number <sup>(5)</sup> Street Address, City, State, and Zip Code
	<sup>(3)</sup> Contractor Telephone Number <sup>(6)</sup> Email Address (for billing purposes)
b.) <b>Appli</b>	icant shall Obtain jurisdictional FD Office Contact Information for the Project in Question:
	Refer to the LACoFD Fire Prevention Regional Inspection Office Phone List. Select the nearest
	office to the project site.
	icant shall Contact the appropriate/jurisdictional Regional- or Specialty-Unit office:
,	<u>Call</u> the jurisdictional inspection office; <u>provide</u> the project address, occupancy classification, and project
	description to confirm it is the appropriate office location for the project; and confirm email address.
, -	Schedule the inspection.
iii.)	Email <u>all</u> the Information in Item 1.)a.), above, directly to the office/inspector assigned.
	Email Subject: "PV/ESS Inspection Request: [Insert Project Address]"
, ,	<u>Pay the invoice</u> . Invoices unpaid at the time of the inspection will result in a cancellation of inspection. The inspection will need to be rescheduled and payment received prior to inspection.
2.) GENERAL	
	Ilations shall comply with the 2023 edition of the Los Angeles County Fire Code ("LACFC", a y amended version of the 2022 California Fire Code). The local Los Angeles County (LAC)
	admented version of the 2022 California Fire Code (CFC) can be viewed at:
	https://library.municode.com/ca/los angeles county/codes/code of ordinances?nodeld=TIT32FICO
-	e section numbering of the LAC amendments/additions matches the organization/numbering of the 2022
	bellon numbering of the Erro amendments/additions matches the organization/numbering of the 2022
	Links to amendments of certain subsections of Section 1207.11 (ESS in Group R-3 and R-4
Jocoup	Links to amendments of certain subsections of Section 1207.11 (ESS in Group R-3 and R-4 pancies) are provided in this checklist in blue text, for the user's convenience.
-	
b.) <u>ESS (</u>	pancies) are provided in this checklist in blue text, for the user's convenience.
b.) <u>ESS (</u>	pancies) are provided in this checklist in blue text, for the user's convenience. (energy storage systems) Installations requiring LACoFD inspection:
