CITY OF HERMOSA BEACH GENERAL MUNICIPAL ELECTION

ELECTION DATE: November 5, 2013      AGE: \_\_\_\_\_ (Optional)      OCCUPATION: Business Advocate / Counselor  
(Optional)      (Optional)

I'm a South Bay native and Hermosa Beach homeowner. I'm running for City Council because I want to ensure that Hermosa Beach continues to be one of the Southland's strongest communities with first-rate city services.

**-Your Voice For The Environment**

I will work tirelessly to preserve Hermosa Beach's strong environmental standards, and fight to protect our water, air, and beaches. It's why I'm against the proposed oil-drilling project.

**-Your Voice For Helping Local Businesses**

I will use my experience as a business advocate to collaborate with local businesses, community leaders, and civic organizations to attract and retain outstanding businesses to enhance economic development in our vibrant community.

**-Your Voice For Safety & Security**

As a woman who walks the Greenbelt at dusk, I'm concerned about our rise in crime. I will partner with our police to recruit and retain experienced officers to provide community policing and improve public safety.

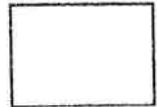

I ask for your support – and your vote – on November 5th.

As your representative I solicited your ideas about the issues facing our City and your comments became the foundation of my problem-solving efforts.

Specifically:

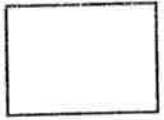

- Macpherson Oil: Michael DiVirgilio and I negotiated an end to the \$750,000,000 lawsuit against our City that removed the threat of bankruptcy - or worse - from our future.
- Infrastructure: As Chairman of the Upper Pier Avenue project we re-beautified Pier Avenue and made our street the new jewel of the South Bay.
- Public Safety: As Mayor I led the effort on the Fourth of July to bring 50 Sheriffs Deputies to Hermosa to manage the crowds. We tripled fines, enforced codes, and used social media tools. For the first time in years Hermosa kept its independence.
- Environment: Led the project that installed an innovative filtration system to keep stormwater from polluting our bay. The solution won an EPA award and Heal the Bay recently gave our beach an "A" rating.
- Budget: I will continue to make fiscal decisions to keep our City sustainable for the long-term and focus our resources on our core needs.

I have enjoyed being your voice in city government and ask for your vote on November 5, 2013.

I've lived and owned businesses in Hermosa since 1975. In that time, I've seen A LOT of changes. As a two-term councilmember and mayor (1993 – 2001), I **implemented** a number of those changes. I was honored to be part of a great city council team that remodeled our Pier, built our Downtown Parking Structure, created South Park, rejuvenated Valley Park and transformed our moribund downtown into a thriving business district.

Yet despite all these numerous changes, Hermosa remained an incredibly beautiful, laid back beach town with great schools, vibrant businesses and a wonderful "small town" community feel. Government mostly stayed to the background and ensured that everything worked.

Lately, however, Hermosa is better known for whatever "**ban**" they are instituting this week. Unfortunately, there's never any enforcement anyway which means it's just meaningless political theatre!

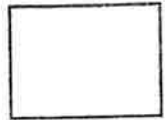

I generally enjoy theatre, but now even Hermosa's *basic* municipal services, (like our *aging sewer system* and *chronic police understaffing*) are going unaddressed.

It's time we get *back to basics*. Hermosa has some tough decisions ahead. It needs experienced, fair minded, common sense leadership, not political grandstanding.

**I have the history, I have the experience, and I would like to have your support!**

Representing you as Mayor and Council member has been one of the greatest experiences of my life. I cannot thank you enough for allowing me the honor to serve our community in these most important positions.

When elected to my first term, I pledged as a 30-year resident and home owner to always place "Community First;" that, if elected, I would fight to revitalize the public's voice on all issues that impact our future. I have been true to that pledge.

I was instrumental in establishing the first citywide mailing updating you on the status of the McPherson lawsuit and the creation of a communication policy to always keep you informed.

I am a founding member of the PCH/Aviation Improvement Committee, working to better the balance of business development citywide rather than just downtown.

I successfully championed major initiatives to improve the health of our community and strengthen environmental safeguards.

As the first Hermosan appointed to the California Coastal Commission since the 1970s, I brought Hermosa's small town perspective of issues to a major statewide forum.

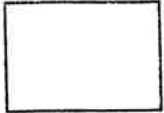

Please allow me to build upon what we've started and support my re-election and unwavering commitment to "Community First."

Respectfully,

Jeff Duclos

I love Hermosa Beach, and will work to maintain it as the best little beach town. My family moved to the Beach Cities over 17 years ago, and purchased our home in Hermosa 7 years ago.

As an engaged homeowner and father of two children, I share your interest in **protecting our small town and environmentally conscious traditions.**

I have two decades of professional experience focusing on environmental and legal issues relating to environmental assessments, compliance and monitoring activities at hundreds of properties, **including preparation of environmental impact reports.**

If I earn the honor of your support my decisions will fairly reflect the concerns of Hermosa residents and businesses by:

Properly evaluating and addressing the risks associated with the proposed oil drilling.

Informing the community of important issues, gathering input from stakeholders, and equitably balancing the interests of all.

Supporting our school district and upholding quality standards for police, fire, and City services.

Working with residents and businesses to address safety concerns in the downtown area.

Protecting our environment through sustainable green programs.

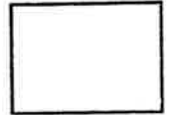

Not accepting taxpayer funded “perks” like a car allowance.

I respectfully request your vote and welcome hearing from you at [www.hfangary.com](http://www.hfangary.com).

I am running for Hermosa Beach City Council because I love our City.

With over 35 years of dedicated public service in cities throughout California, I know what a jewel we have in Hermosa Beach.

As your Police Chief from 2006 to 2012, I bring a deep familiarity with the issues facing the City:

- Maintaining and enhancing our quality of life
- Providing professional, responsible leadership
- Finding a balanced approach to resident, business and tourism needs

As Police Chief, I served with honesty and integrity, and as a member of the City Council I will bring the same values, energy and commitment.

I will maintain a strong emphasis on public safety as it's the key to preserving our unique quality of life. It will guide my decisions on all issues facing the City, whether they are our emergency responses, road and infrastructure improvements, recreational activities, existing businesses or new developments.

I will ensure that the best interests of HERMOSA BEACH are the basis for my actions on Council. I will be open and transparent with you, always listening to your concerns and ideas. Living in Hermosa Beach, with its culture and traditions, is something I cherish and will work to preserve.
