# City of Hermosa Beach: Strategic Plan

#### **VISION 2029**

#### HERMOSA BEACH 2029

is The Best Little Beach City!

Our Hometown Spirit,

Our Beach Life Style,

Our Eclectic Downtown,

Our Vibrant Entry Corridors

Our Leadership to Environmental Sustainability,

MAKES US DIFFERENT AND SETS US APART.

#### POLICY AGENDA 2014

Top Priority Oil Ballot Measure for 2014

**Downtown Core Development** 

Public Safety Service and Staffing Study

Municipal Carbon Neutral Action Plan

General Plan/Local Coastal Program/ Blueprint for a Low Carbon Future

South Park: Upgrade

Pacific Coast Highway Corridor Beautification Plan

#### **High Priority**

Schools Strategy and Specific Actions: Support for Top Quality Schools

Sewer Replacement Program and Funding Mechanism

**Capital Improvement Program and Policy** 

**Comprehensive City Facilities Master Plan** 

#### **GOALS 2019**

Commitment to a Safe Community

Financially Sound City Government

High Performing City Providing 1<sup>st</sup> Class Services

More Livable, Sustainable Beach City

Enhanced Economic Development Through Revitalized Downtown And Entry Corridors

#### MANAGEMENT AGENDA 2014

**Top Priority** 

Business Improvement District (BID) for Pier Plaza: Preparation

> Community Dialog/Decision Making Tool: Adoption, Implementation

> Late Night Action Plan: Update, Direction

**AES Rebuild** 

Undersea Cable (Addition): Direction

#### HERMOSA BEACH MISSION

#### The mission of the HERMOSA BEACH MUNICIPAL GOVERNMENT is to

Be Financially, Environmentally Responsible

to Govern the Community

and to Provide 1<sup>st</sup> Class Municipal Services

in a Customer Friendly Manner.

through Valued Employees and Volunteers.

#### MANAGEMENT IN PROGRESS 2014

Solid Waste Collection: Update Report

**Street Paving Program: Review, Update Report** 

**Citizen Compliant Tracking System: Development, Website** 

**Trash Enclosures Temporary** 

High Performance Organization: Development, Leadership Philosophy, Department Discussion

**Employee Appreciation Program: Enhancements** 

**Charging Station: Development** 

**City Energy Efficiency Update Report** 

**LED City Lights** 

Living Streets Update Reports, Projects

**Economic Development Position** 

**City Manager's Economic Development Committee: Creation** 

Pier Avenue Street Lights and Trash Can

Smart Meter Pay Stations for Parking/Free Parking Program: Evaluation

User Guide for Doing Business in Hermosa Beach (Preliminary/Final)

**Economic Development Welcome Team: Development** 

Hope Chapel Development: Working with Property Owners, Update Report, Policy Direction

Skechers Development: Working with Property Owners, Update Report, Policy Direction

# MAJOR PROJECTS 2014

#### Valley/Ardmore Bike Lane Improvements: FY 14, FY 15

#### UNDERSTANDING THE BUDGET

#### **BUDGET PROCESS / CALENDAR**

The City updates its Strategic Planning document annually in January. As work begins on the budget process in February/March, this policy document is available to guide budget decisions. Department Heads prepare estimates of revenues and departmental expenditures for submission to the Finance Director. The City Manager and Finance Director meet with each department to review the estimates and discuss requests. From these meetings, the preliminary budget is developed. The Capital Improvement Budget and 5 Year Capital Improvement Plan, which are part of the same document, follow the same process.

The City Manager is required to submit a preliminary budget to the City Council on or before May  $15^{\text{th}}$  of each year. One or two public workshops are held in May and June to review the budget and receive public input. One formal public hearing is held in June, prior to budget adoption. The City Council must adopt an annual budget, by resolution, on or before June 30 for the coming fiscal year (July 1 – June 30). If the budget is not adopted by that date, the preliminary budget, except for capital outlays, goes into effect until the budget is adopted.

The budget may be amended during the year as necessary. A Midyear Budget Review is conducted in February, at which time adjustments to revenue estimates and appropriations are made. Expenditures may not exceed appropriations at the fund level. The City Manager may approve transfers of appropriation within funds; transfers of appropriations from one fund to another require City Council approval.

Budgets are adopted for all governmental and proprietary funds (see later Explanation of City Funds) on a basis consistent with generally accepted accounting principles.

#### 2014-2015 BUDGET CALENDAR

#### Monday – MARCH 10, 2014

Budget Instructions to departments

#### Thursday - MARCH 20, 2014

Department budget requests/Capital Improvement Program due to Finance Director. Revenue estimates due to Finance Director.

#### Monday/Tuesday – APRIL 7 AND APRIL 8, 2014

Department meetings with City Manager/Finance Director.

#### Thursday - MAY 15, 2014 (per HBMC) (or earlier if possible)

Preliminary Budget to City Council.

#### Thursday - MAY 22, 2014

Budget/CIP workshop.

#### Tuesday - JUNE 10, 2014

Public Hearing/Possible Budget Adoption.

#### <u>Tuesday – JUNE 24, 2014</u>

**Budget Adoption** 

#### **BUDGET CONTENT**

The following areas offer quick insight into the budget.

#### City Manager's Budget Message

The City Manager's message presents the highlights and major changes in narrative form.

#### **Budget Summaries**

The Budget Summary contains condensed information on the budget by presenting estimated beginning and ending fund balances and projected revenues and expenditures for each fund. The Schedule of Revenues by Fund and the Schedule of Expenditures by Fund show comparisons between the 2012-13 actuals, the year-end estimate for 2013-14 and the requested amount for 2014-15.

#### Revenue

A computerized listing of line items entitled "City of Hermosa Beach, Revenue Detail by Fund, 2014-15 Budget" shows each revenue item, organized by fund. The columns on the report are explained below under "Department Budgets."

#### Personnel Authorizations

These pages present a summary of the City's authorized personnel by department and provide quick reference to any new/eliminated positions and the City's total staffing.

#### **Department Budgets**

The Table of Contents lists the pages for all activities separately budgeted. Each Department budget begins with a department description and a summary of personnel positions. A computerized listing of line items is entitled "City of Hermosa Beach, Department Expenditure Detail, 2014-15 Budget.

#### **Debt Service**

The City has chosen not to use long-term debt to pay for capital improvement or infrastructure improvements at this time; therefore no debt service is shown in the budget. The City's legal debt margin is shown below.

| Legal Debt Margin Inform  | ation |               |
|---|-------|---------------|
| 2013  |       |               |
| Assessed valuation  | \$    | 5,379,750,286 |
| Conversion percentage   |       | 25%           |
| Adjusted assessed valuation   | \$    | 1,344,937,572 |
| Debt limit percentage   |       | 15%           |
| Debt limit  | \$    | 201,740,636   |
| Total net debt applicable to limit \$                               | \$    | -             |
| Legal debt margin   | \$    | 201,740,636   |
| Total debt applicable to the limit<br>as a percentage of debt limit |       | 0%            |

California Government Code section 43605 provides for a legal debt limit of 15% of gross assessed valuation. This provision was enacted when assessed valuation was based on 25% of market value. Effective fiscal year 1981-82, each parcel was assessed based on 100% of market value as of the most recent change in ownership. The computations shown above convert the assessed valuation data for each fiscal year from the full valuation perspective to the 25% level that was in effect at the time that the legal debt margin was enacted.

#### HOW TO READ THE REPORTS

Numerical columns on the Revenue and Expenditure reports are explained as follows:

Column No. 1 - "2012-13 Received/Expended." Reflects <u>actual</u> revenue/expenditures for 2012-13 fiscal year

Column No. 2 - "2013-14 Total Budget" Reflects the revised budget amounts through January 31, 2014

Column No. 3 - "2013-14 Received/Expended Year-to-Date (YTD)" Reflects the actual revenue/expenditures through January 31, 2014

Column No. 4 - "2013-14 Year End Estimate"

Reflects the department's best estimate of what revenue/expenditures will be received/incurred through year-end, June 30, 2014.

Column No. 5 - "2014-15 Department Request" Represents the 2014-15 Department Request.

#### **EXPLANATION OF CITY FUNDS**

This section explains the funds shown in the Budget Summary.

Governments use fund accounting; each fund is considered to function as a separate fiscal and accounting entity. The basis for budgeting in all funds is the same as the fund type basis for accounting in accordance with generally accepted accounting principles, as outlined below. Budgets are established for all funds.

<u>GOVERNMENTAL FUNDS</u> - The City uses two fund types to account for governmental-type activity. These are the General Fund and Special Revenue Funds. The accounting and budgeting basis for these funds is modified accrual, which recognizes revenues when measurable and available and expenditures when the liability is incurred.

<u>GASB 54</u> - Governmental Accounting Standards Board (GASB) Statement 54, *Fund Balance Reporting* and *Governmental Type Definitions*, which is effective for fiscal years beginning after 6/15/10, affects how we present the fund balance section of the budget.

The primary impact of this statement is that the Contingency Fund, Retirement Stabilization Fund and Compensated Absences Fund are no longer separate funds; the amounts are in the General Fund and are shown in the fund balance section under the "committed" and "assigned" categories. This presentation may be seen on the first page of the Budget Summary, at the bottom, and on the next page.

The definitions for classifications of fund balance we are using are as follows:

<u>Restricted</u> fund balances are the portion of fund balance that have externally enforceable limitations on their usage through legislation or limitations imposed by creditors, grantors, laws and regulations of other governments or enabling legislation.

<u>Committed</u> fund balances are self-imposed limitations by the highest level of decision-making authority, namely the City Council, prior to the end of the reporting period. City Council approval is required to commit resources or to rescind the commitment.

<u>Assigned</u> fund balances are limitations imposed by management based on the intended use of the funds. Modifications or rescissions of the constraints can be removed by the same type of action that limited the use of the funds **<u>001 GENERAL FUND</u>** - The General Fund is the principal operating fund of the City. The estimated fund balance at 6-30-15 (as presented in the Budget Summary) of \$8,010,105 is classified as follows:

| Restricted<br>\$63,000 | General Plan Maintenance Fee              | s   |
|------------------------|---|---|
| \$18,860               | Verizon PEG Grant                         | Public access funds to be used for future<br>broadcasting needs                     |
| \$45,000               | Greenwald Theatre<br>Improvement Donation | Balance of donation by Thelma<br>Greenwald for theatre improvements                 |
| <b>Committed</b>       |   |   |
| \$28,900               | In Lieu Parking Fees                      | Fee Paid in Lieu of Providing Parking   |
| Assigned               |   |   |
| \$4,858,893            | Contingencies                             | Economic uncertainties, unforeseen emergencies                                      |
| \$1,000,000            | Retirement Rate<br>Stabilization          | For use during periods of unstable rates  |
| \$1,000,000            | Debt Service                              | Oil Settlement  |
| \$500,000              | Unspecified Contingencies                 |   |
| \$297,262              | Compensated<br>Absences                   | Funding for accrued liabilities of employee<br>vacation, sick and compensatory time |
| \$13,472               | Beach/Plaza Promotions                    | Funds from 12/31/12   |
| \$20,000               | Beach/Plaza Promotions                    | 2013-14   |
| \$164,718              | Sales Tax Receivable                      | Funds not received until seven months after year end                                |
| \$8,010,105            |   |   |

**SPECIAL REVENUE FUNDS** - A special revenue fund is used to account for the proceeds of specific revenue sources that are restricted or earmarked for specific purposes.

| 105 LIGHTING/LANDSCAPING<br>FUND         | Funds of the benefit assessment district, created pursuant to Street and Highway Code 22500-22679, are expended for lighting/median maintenance and are accounted for in this fund.   |
|--|---|
| 115 STATE GAS TAX FUND                   | City share of state gasoline tax restricted for use on public streets.<br>Restricted Transportation Development Act (TDA) funds from<br>Metropolitan Transit Authority (MTA) are also held in this fund.  |
| 117 AB939 FUND                           | Recycling fees generated in connection with solid waste collection are<br>used to implement a Source Reduction and Recycling Element and a<br>Household Waste Element of the General Plan.  |
| 121 PROP A OPEN SPACE<br>FUND            | Funds generated by passage of the L.A. County Safe Neighborhood<br>Parks Bond Act by county voters for the purpose of improving parks and<br>recreational facilities. Interest is not allocated to this fund because City<br>funds are advanced, then reimbursed by this grant. |
| 122 TYCO FUND                            | Funds received from an easement granted for construction of a transpacific, submarine fiber optic cable system originating in Japan with a landing in Hermosa Beach. The project will provide additional capacity for global voice and data transmission.                       |
| 123 TYCO TIDELANDS FUND                  | Funds set aside according to the Tyco easement agreement to construct one new bathroom and repair three existing bathrooms at the beach. Remaining funds are to be used for renovations, repair or improvement of the pier or beach.  |
| 125 PARK RECREATION<br>FACILITY TAX FUND | Accumulation of subdivision fees and park, recreation facility tax fees<br>on new dwellings. Generally, the funds are to be used for acquisition,<br>improvement and expansion of park or recreational facilities. Funds<br>cannot be used for maintenance.                     |

| 135 BAYVIEW DRIVE DISTRICT<br>ADMINISTRATIVE EXPENSE<br>FUND             | This fund temporarily holds funds for payment of administrative<br>expenses for the assessment district. These funds are invested but<br>interest is not allocated to this fund because it is not required by the<br>bond documents.   |
|--|--|
| 136 LOWER PIER<br>ADMINISTRATIVE<br>EXPENSE FUND                         | This fund temporarily holds funds for payment of administrative<br>expenses for the assessment district. These funds are invested but<br>interest is not allocated to this fund because it is not required by the<br>bond documents.   |
| 137 MYRTLE DISTRICT<br>ADMINISTRATIVE EXPENSE<br>FUND                    | Funds collected from utility undergrounding assessments in the Myrtle<br>Avenue Undergrounding District for administration are deposited in this<br>fund. Costs incurred by the City or its Fiscal Agent in administration of<br>the assessments are paid from these funds.                |
| 138 LOMA DISTRICT<br>ADMINISTRATIVE EXPENSE<br>FUND                      | Funds collected from utility undergrounding assessments in the Loma<br>Drive Undergrounding District for administration are deposited in this<br>fund. Costs incurred by the City or its Fiscal Agent in administration of<br>the assessments are paid from these funds.                   |
| 139 BEACH DRIVE<br>ASSESSMENT DISTRICT<br>ADMINISTRATIVE EXPENSE<br>FUND | This fund temporarily holds funds for payment of administrative<br>expenses for the assessment district. These funds are invested but<br>interest is not allocated to this fund because it is not required by the<br>bond documents.   |
| 145 PROPOSITION A FUND   | Portion of sales tax (currently ½%) distributed to cities on a population basis for public transit purposes. Proposition A funds may be exchanged with other agencies for unrestricted funds, typically at a discounted rate.  |
| 146 PROPOSITION C FUND   | Voter-approved $\frac{1}{2}$ % sales tax for transit purposes. Funds may be used for street improvements on bus routes.  |
| 147 MEASURE R FUND   | Voter-approved ½% sales tax for transportation investments that will relieve traffic congestion, provide transit alternatives and improve air quality. Funds are less restrictive than Propositions A and C.   |
| 150 GRANTS FUND  | State and Federal grants for specific projects are accounted for in this fund. Interest is not allocated to this fund because City funds are advanced, then reimbursed by these grants.  |
| 152 AIR QUALITY<br>IMPROVEMENT FUND                                      | Funds collected by the Department of Motor Vehicles and distributed to cities on a population basis for use in reducing air pollution.   |
| 153 SUPPLEMENTAL LAW<br>ENFORCEMENT SERVICES<br>FUND                     | Funds received from the Citizen's Option for Public Safety (COPS) program, established by the State legislature in fiscal year 1996-97, are accounted for in this fund. Funds must be used for front line municipal police services and must supplement and not supplant existing funding. |
| 160 SEWER FUND   | Funds derived from a portion of the 6% Utility User Tax and miscellaneous service charges are spent on the Sewer/Storm Drain Department and capital sewer projects.  |
| 170 ASSET FORFEITURE FUND  | Funds seized as a result of illegal activity and forfeited to the Police<br>Department. Funds must be used for law enforcement purposes to<br>supplement, not replace or decrease existing appropriations.   |
| <b>180 FIRE PROTECTION FUND</b>  | Fire flow fees collected are used to upgrade and enhance the fire flow capabilities of the fire protection system.   |

### **301 CAPITAL IMPROVEMENT** Funds set aside for Capital Improvement Projects. **FUND**

**PROPRIETARY FUNDS** - Two fund types are used to account for a government's business-type activities, or those that receive a significant portion of their funding through user charges. These are the Enterprise Fund and the Internal Service Fund. The basis for accounting and budgeting in these funds is full accrual, which recognizes revenue and expenses as they occur, not when they are received or spent. Capital assets (land, equipment, etc.) are accounted for in these funds.

**INTERNAL SERVICE FUNDS** - The Internal Service Fund is used to allocate the cost of providing certain centralized services among different funds. These funds are invested but interest is not allocated to these funds.

| 705 INSURANCE FUND                | The Insurance Fund is an Internal Service Fund which pays all costs<br>of liability, workers' compensation, unemployment, and property<br>insurance with funds generated by service charges to all departments.<br>Service charges are calculated based on separate formulas for each<br>type of insurance. The City Council's goal for net assets is<br>\$3,000,000. (See Appendix for replacement schedules)  |
|-----------------------------------|---|
| 715 EQUIPMENT<br>REPLACEMENT FUND | The Equipment Replacement Fund is an Internal Service Fund<br>established to provide ongoing funds to replace assets at the end of<br>the asset's useful life. Vehicles, heavy equipment, communications<br>equipment (computers and radios) and business machines are<br>included in the fund. In 2010-11 user charges were added for<br>maintenance of City buildings. The City Council's goal for net assets<br>is the "accumulated amount" calculated and shown in the Equipment<br>Replacement Schedules. (See Appendix for replacement schedules) |

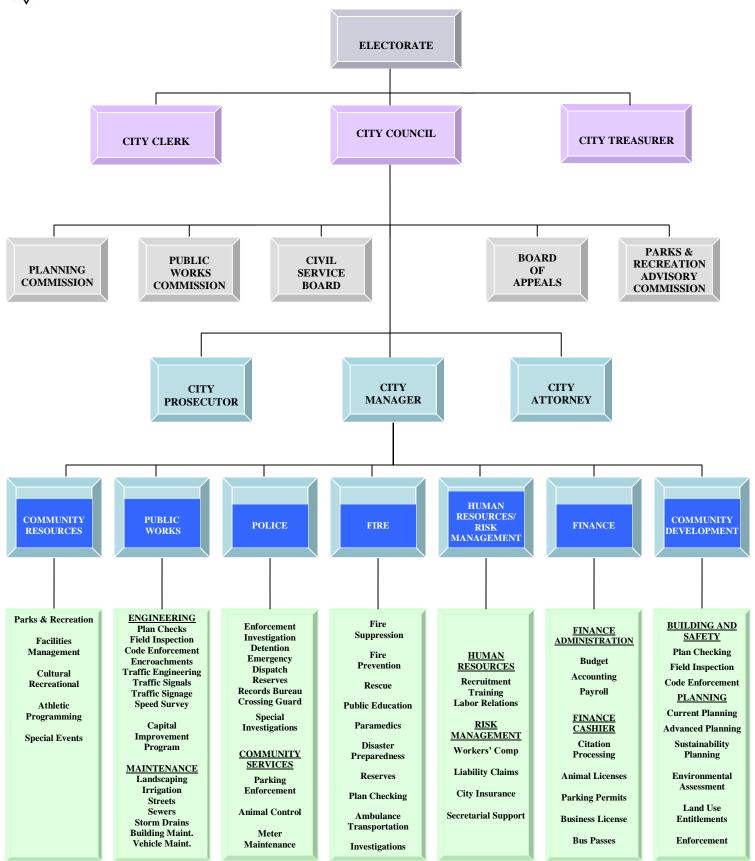

**FIDUCIARY FUNDS** - Governments often hold or manage financial resources in a trustee or agency capacity. A trust or agency fund type is used to account for a government's fiduciary activities. The City's fiduciary funds are all agency funds, with a modified accrual basis of accounting.

<u>AGENCY FUNDS</u> - The Agency fund is used in situations where the government plays a limited financial management role on behalf of a third party.

| 609 BAYVIEW DRIVE<br>ASSESSMENT DISTRICT<br>REDEMPTION FUND | This fund is used to account for special assessment collections and debt service for the Bayview Drive Assessment District Bonds.             |
|---|---|
| 610 LOWER PIER DISTRICT<br>REDEMPTION FUND                  | This fund is used to account for special assessment collections and debt service for the Lower Pier Avenue Assessment District Bonds.         |
| 611 BEACH DRIVE<br>ASSESSMENT DISTRICT<br>REDEMPTION FUND   | This fund is used to account for special assessment collections and debt service for the Beach Drive Assessment District Bonds.               |
| 612 BEACH DRIVE<br>ASSESSMENT DISTRICT<br>RESERVE FUND      | This fund is used to account for a reserve set aside for the Beach Drive Assessment District Bonds.   |
| 617 MYRTLE AVENUE<br>ASSESSMENT FUND                        | This fund is used to account for special assessment collections and debt service for the Myrtle Avenue Utility Undergrounding District Bonds. |
| 618 LOMA DRIVE<br>ASSESSMENT FUND                           | This fund is used to account for special assessment collections and debt service for the Loma Drive Utility Undergrounding District Bonds.    |
| 619 BAYVIEW DRIVE RESERVE<br>FUND                           | This fund is used to account for a reserve set aside for the Bayview Drive Assessment District Bonds.   |

## **City of Hermosa Beach**

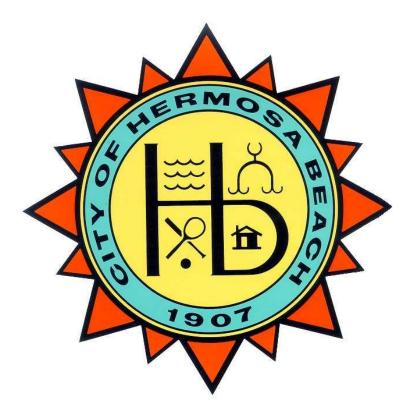

#### California

For the Fiscal Year Beginning

July 1, 2013

Hoy R. Ener

Executive Director

This page intentionally left blank

June 24, 2014

Honorable Mayor and Councilmembers:

The 2014-15 Budget for Hermosa Beach represents some large changes for the City. The City Council recently adopted a strategic plan that sets a value-based 15 year Vision for 2029, establishes 5 year goals for 2019 and identifies a policy and management agenda with action items for 2014. Please see the front of this document to view a summary of the strategic plan. One of Council's goals to achieve by 2019 is to become a "High Performing City Providing 1st Class Services." This is of large significance to the budget because we need to identify our service levels, determine what they cost and measure how well we are performing those services as compared to other similar cities. We have completed a comprehensive study of Police and Fire (our two biggest departments) and will have detailed service level information for those departments to help guide decisions for 2015-16. The information provided this year is again intended to provide a temporary bridge as we transition to a budget format that focuses on desired outcomes and service levels. Priority Based Budgeting, which is the model chosen, provides a comprehensive review of the entire organization, identifying and ranking every program offered on the basis of the community's priorities. The diagnostic process ultimately enables policy makers to link funding decisions to stated priorities in the strategic plan.

Hermosa Beach is seeing its ongoing revenues exceed its ongoing expenses. This is due in part to the improvement in the economy, but the primary reason is the significant expenditure reductions that were initiated by the City Council and Staff over the last several years. It is difficult to determine the service level impacts of those cuts and that is something we are studying. The Fiscal Health diagnostic model presented at the budget workshop will assist in achieving long term fiscal sustainability. For 2014-15, \$1,000,000 from the General Fund has been set aside for debt service related to the oil project and \$500,000 for unspecified contingencies. The strategy adopted is one where Council slowly adds services and expenditures that are consistent with their new goals. In some cases, City Council approved adding temporary personnel until we can determine that the financial picture will continue to improve and then we can solidify service levels.

Because contracts with employee bargaining units are in place through June, 2015, we do not anticipate salary costs increasing other than the additional positions. A study of employee compensation is underway and this will help us achieve Council's goal to "Maintain a compensation policy based upon the market, performance and the community's total cost of government." A review of retirement and other post-employment benefit obligations was presented at the budget workshop.

This budget balances the City Council's recently adopted goals of maintaining a *"Financially Sound City Government"* while being a *"High Performing City Providing 1<sup>st</sup> Class Services."* Fiscal Year 2014-15 marks a year of large decisions by the community that will shape the future of the Best Little Beach City.

Sincerely,

TL BM

Tom Bakaly City Manager

#### **Budget Overview**

The 2014-15 Adopted Budget demonstrates continuing improvement in the local economy and a balanced budget, with some added personnel, replacement of 13 vehicles and several one-time studies that will move the city forward toward the goals set forth in the strategic plan.

Some of the Items included in the budget that reflect the City Council's newly adopted goals are:

- Presentation of a 5-Year Capital Improvement Program to identify the city's long term infrastructure needs.
- Funds are included for:
  - South Park Upgrade
  - Phase One funding for PCH/Aviation Beautification
  - Phase Two funding for the Downtown Strategic Plan Implementation
  - Continuing progress on the General Plan/Local Control Program/Blueprint for a Low Carbon Future
  - Implementation of some recommendations in the Public Safety Service and Staffing Study
- Replacement of 13 vehicles, some of which will be alternative fuel vehicles
- Continuation of high performance organization training for employees
- Additional funds for technology improvements budgeted in 2013-14 for the upgrade of the city's permitting software to provide online permitting for Community Development and Public Works, integration with the city's geographic information system (GIS) and work order tracking. Functionality for the Fire Department and citizen engagement are added features

With the improvement in the local economy and the extent of reductions and cost savings that have been achieved over the past two years, the following funds have been allocated from the General Fund as follows:

- \$1 million is committed in the General Fund as a contingency for potential debt service related to the oil drilling issue.
- \$500,000 is committed in the General Fund for unspecified contingencies.

Personnel changes included in the budget are:

| <u>Department</u><br><u>Full Time</u> | Position   | <u>Comments</u>   |
|---------------------------------------|--|---|
| City Manager                          | Administrative Analyst<br>(Economic Development) | Convert from full time/<br>temporary to full time/<br>permanent (with partial<br>funding by Chamber of<br>Commerce, \$24,000) |
| Finance Administration                | Accountant                                       | Upgrade Senior Account<br>Clerk position (filled with a<br>temporary employee) to<br>Accountant                               |
| Police Department                     | Crime and Intelligence Analyst                   | Convert from full time/<br>temporary to full time/<br>permanent   |
| Community Services                    | Community Services Division<br>Manager           | New position, full time/<br>permanent   |

| <u>Department</u>  | Position  | <u>Comments</u>   |
|--|---|---|
| Full-Time (continued)  |   |   |
| Community Development<br>Planning                                | Planning Assistant  | Convert from full time/<br>temporary to full time/<br>permanent             |
|  | Senior Planner  | Add 10% Premium   |
| Community Resources  | Convert Administrative Assistant to<br>Recreation Coordinator | This change addresses<br>Department needs. The<br>salary grade is the same. |
| Part Time  |   | Salary grade is the same.   |
| Fire Department  | Fire Inspector<br>Emergency Services Coordinator              |   |
| Community Development<br>Planning/Public Works<br>Administration | Office Assistant  | 50% to each department  |
| Community Development<br>Planning                                | Intern  | Convert Clerk Assistant<br>position to Intern, full time/<br>temporary      |

#### **Revenue Trends and Assumptions**

Since the General Fund pays for the majority of operating expenses, analysis of revenue and expenditures will focus on that fund. Most of the revenue in the other funds comes either from grants, other one-time funds, or funds which are restricted by use; therefore an overall comparison is not meaningful.

Total revenue for the General Fund is estimated at approximately \$33.7 million. The overall revenue increase is 1.3% over the 2013-14 Budget however there are notable variations in some revenue sources.

The largest percentage increase, in Fines and Forfeitures, is due to the change in enforcement until 2:00 a.m. that was added last year. The large decrease in the Other Revenue category is due to the one-time reimbursement of \$150,000 from Chevron for the Coke Drum Project that occurred in 2013-14 and reimbursement for planning administration related to the oil project. Revenue from other reimbursements and general miscellaneous revenue varies from year to year so it not assumed in the budget. The Use of Money and Property Category increases due to the additional cell site license and interest earnings.

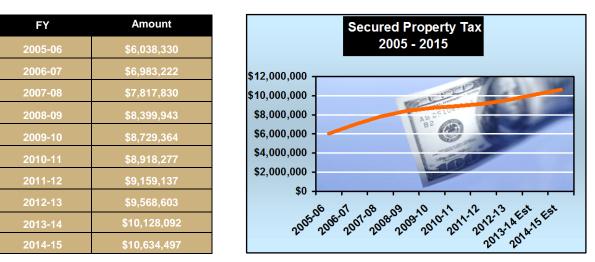

#### **General Fund Revenue Summary**

|                           | Budget     | Budget     | Increase | Overall % | % of  |
|---------------------------|------------|------------|----------|-----------|-------|
| Revenues                  | 2013-14    | 2014-15    | Decrease | Increase  | Total |
| Taxes                     | 22,082,824 | 22,834,507 | 751,683  | 3.40%     | 68%   |
| Licenses and Permits      | 771,736    | 795,240    | 23,504   | 3.05%     | 2%    |
| Fines and Forfeitures     | 2,601,616  | 2,748,289  | 146,673  | 5.64%     | 8%    |
| Use of Money and Property | 827,949    | 870,435    | 42,486   | 5.13%     | 3%    |
| Intergovernmental/State   | 119,289    | 97,179     | -22,110  | -18.53%   | 0%    |
| Service Charges           | 6,207,816  | 6,221,771  | 13,955   | 0.22%     | 18%   |
| Other Revenue             | 662,567    | 149,858    | -512,709 | -77.38%   | 1%    |
| Total Revenue             | 33,273,797 | 33,717,279 | 443,482  | 1.33%     | 100%  |

Since taxes represent 68% of General Fund revenue, a discussion of the largest tax sources follows.

**Secured Property Tax.** Secured property taxes, shown in the chart below, represent 32% of General Fund revenue. The assumed increase is estimated at 5% or just over \$500,000 and growth is projected at almost 6% for 2013-14; actuals for the previous four years were 4.5%, 2.7%, 2.2%, and 3.9%. The growth in the property tax is a positive indicator of our economic improvement and makes the biggest dollar impact.

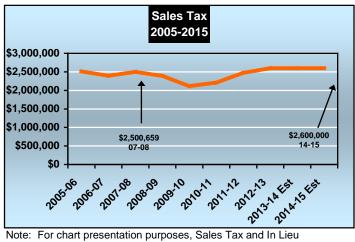

The tax rate is 1% of the assessed valuation. Property taxes are remitted to the County and then distributed by the County to each city. The Los Angeles County Assessor releases the assessment roll in July 2011 however cities do not know their actual tax levy until December.

Total Property Taxes are shown in the General Fund Revenue pie chart behind the Revenue tab in the budget and equal 38% of General Fund revenue. Measured in total or just in Secured Tax, property tax is our highest source of revenue. Please also refer to the Property Tax Dollar Breakdown chart behind the Revenue tab that shows how property tax is distributed among agencies in the county.

**Sales Tax.** Sales tax is estimated at \$2.6 million which is slightly higher than the level of sales tax generated before the national recession in 2007-08. Sales tax data lags by one quarter since the State collects the revenue for cities and makes the detailed data available on a quarterly schedule.

| FY      | Amount      |
|---------|-------------|
| 2005-06 | \$2,511,004 |
| 2006-07 | \$2,395,390 |
| 2007-08 | \$2,500,659 |
| 2008-09 | \$2,390,658 |
| 2009-10 | \$2,112,971 |
| 2010-11 | \$2,209,559 |
| 2011-12 | \$2,474,651 |
| 2012-13 | \$2,598,751 |
| 2013-14 | \$2,600,000 |
| 2014-15 | \$2,600,000 |

Sales Tax are combined.

Revenue is estimated to be flat. Sales tax by class for the first eight months is shown below on the next page. The largest category increase by dollar amount is in the Other Retail Category which is primarily sales of computer equipment from a home occupation business. Building Materials shows a 26% increase which is consistent with the high level of building activity seen in our permitting revenue.

#### 2014-2015 July - February Sales Tax by Class

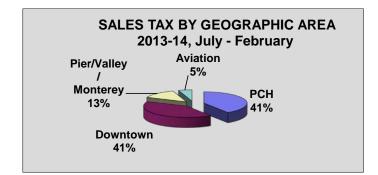

|    | RANK / BUSINESS CLASS         | 2013-14<br>July - February | INC/(DEC)  | % CHANGE<br>PREV YEAR | % OF<br>TOTAL |
|----|-------------------------------|----------------------------|------------|-----------------------|---------------|

| Aviation             | 68,115  | 5%    | 8%    | 73,885  | 5%    |

Sales tax represents 8% of total General Fund revenue. The sales tax rate for Los Angeles County is 9% distributed as follows: 6.50% State; Proposition A Transportation .5%; Proposition C Transportation .5%; Measure R Transportation .5%; City of Hermosa Beach 1% (or city point of sale, generally). This means that the City receives 1% of each dollar, or \$1 for each \$100 in sales that are taxable.

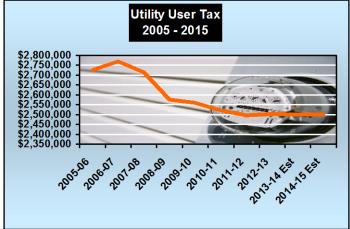

Until State deficit reduction bonds are paid off, the line item entitled "In Lieu Sales Tax" will continue to appear in the revenue accounts. This is the amount of the "Triple Flip" which resulted from the Governor's ballot measure to finance 2002-03 and 2003-04 state budget deficits. Sales tax was taken from local governments to guarantee State debt in order to obtain a more favorable investment category and thereby a lower rate of interest.

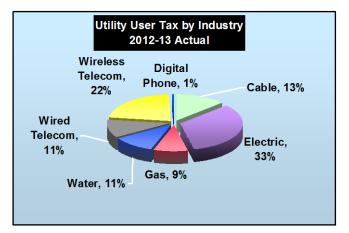

The funds will be paid back to local governments, using the property tax schedule, which is less advantageous for cities since property tax is paid less often than sales tax. Supposedly, there will be no actual loss to the city of the principal amount; there will be lost investment opportunity however, due to the cash flow impact. Due to the change in the remittance schedule, a portion of the fourth quarter sales tax is not received until seven months after fiscal year end; therefore the estimated amount of \$164,718 must be earmarked in the General Fund since it is not available to spend.

Payoff of the state deficit bonds is included in the Governor's budget. The payoff would put our sales tax payments back to the regular payment schedule which would be a welcome change and an improvement to cash flow.

**Utility User Tax.** Revenue from the utility user tax remains flat but consistent. Since 2009-10, revenue has only varied from -1.5% to +0.30%.

| F   | Y    | Amount      |  |
|-----|------|-------------|--|
| 200 | 5-06 | \$2,726,085 |  |
| 200 | 6-07 | \$2,769,113 |  |
| 200 | 7-08 | \$2,714,029 |  |
| 200 | 8-09 | \$2,575,209 |  |
| 200 | 9-10 | \$2,559,369 |  |
| 201 | 0-11 | \$2,520,720 |  |
| 201 | 1-12 | \$2,495,895 |  |
| 201 | 2-13 | \$2,503,265 |  |
| 201 | 3-14 | \$2,500,000 |  |
| 201 | 4-15 | \$2,500,000 |  |

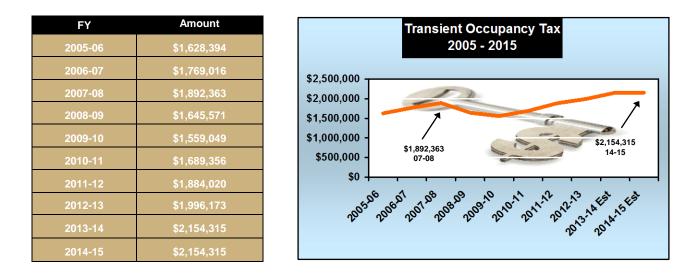

Utility user tax (UUT), which applies to use of electricity, gas, water, video (cable), and telecom comprises 7% of General Fund revenue. \$700,000 of the revenue is transferred annually to the Sewer Fund for sewer operations and maintenance.

Voters, in November 2007, realizing the importance of this revenue source to the City, approved a modernized UUT ordinance by a 72% margin to ensure continued collection of the UUT as technology changes the way the UUT is applied to services. Voters also approved a reduction of the rate for video and telecom from 6% to 5.5% to keep revenue neutral. The rate on electricity, gas and water remains at 6%.

**Transient Occupancy Tax (TOT).** Transient occupancy tax or "hotel tax" represents 6% of General Fund revenue. Receipts for the first seven months of 2013-14 are up 8% over the previous year. The year end 2013-14 estimate of almost \$2.2 million is 6% over budget, making a new high for this revenue source. Occupancy for the first seven months is 78.96% compared to 77.21% for the same period last year. The occupancy rate for Los Angeles County for the same period is 79.98% and for the South Bay is 79.65%.

Hotels are generally the highest revenue-producing use for the city for property in Hermosa Beach. An advantage of the transient occupancy tax as a local revenue source is that it is paid by visitors, rather than residents, to help maintain our city services and the tax is collected by and stays in Hermosa Beach rather than going to the State or County coffers first.

#### **Expenditures**

Overall expenditures in the General Fund are budgeted at \$32.3 million. The increase over the 2013-14 Budget is 1.6%.

The Personal Services comparison below shows an increase of 2% when comparing the 2014-15 Budget to the 2013-14 Budget. Within the category, salaries increase 4%, due to personnel changes outlined herein.

Contract Services other than those associated with capital improvement projects decline. CIP's funded by the General Fund are \$400,000 higher than 2013-14.

#### General Fund Expenditure Summary

|                           | Budget     | Budget     | Increase | Overall % | % of  |
|---------------------------|------------|------------|----------|-----------|-------|
| Expenditures              | 2013-14    | 2014-15    | Decrease | Increase  | Total |
| Personal Services         | 19,945,721 | 20,407,338 | 461,617  | 2.31%     | 63%   |
| Contract Services Private | 3,389,933  | 3,152,756  | -237,177 | -7.00%    | 10%   |
| Contract Services /CIP's  | 1,526,411  | 1,933,404  | 406,993  | 26.66%    | 6%    |
| Contract Serv/Govt        | 1,209,572  | 1,207,204  | -2,368   | -0.20%    | 4%    |
| Materials/Supplies/Other  | 5,562,377  | 5,600,841  | 38,464   | 0.69%     | 17%   |
| Equipment/Furniture       | 179,765    | 29,295     | -150,470 | -83.70%   | 0%    |
| Total Expenditures        | 31,813,779 | 32,330,838 | 517,059  | 1.63%     | 100%  |

As part of the budget balancing, General Funds were used to cure the deficit of \$6,479 in the Lighting Fund and \$150,353 to cure the deficit in the Sewer Fund (which will be discussed in more detail in the later heading "Sewer Fund"). \$101,555 has been set aside again for building maintenance (now a total of \$507,775) in the Equipment Replacement Fund and almost \$125,000 is provided for unanticipated expenditures.

**Personnel.** As a service business, most of our costs are in personnel (63% of General Fund). As mentioned earlier, personnel costs are 2.3% higher than the 2013-14 Budget.

As mentioned on the page 1 of this overview, four (4) full time and two (2) part time positions are added to the budget. (Some personnel allocations between divisions have been changed, however the only additional positions are the ones mentioned here).

No salary increases are included in the budget other than step increases which are budgeted as usual for employees who have been with the City less than five years. (No cost of living or other salary increases have been given since 7/1/2009 due to the recession).

Employee benefit estimates increase overall by 13% based on insurance company assumptions, however actual increases are typically lower. Retirements costs are estimated to decrease by 1% due to second tier and pension reform implementation, as well as cessation of the Employer Paid Member Contribution (EPMC) benefit as a result of labor negotiations. The employee share of retirement contributions is now paid entirely by the employee and was offset by a corresponding pay increase. This was accomplished over a three year period.

**Sewer Fund.** Annually (since 1985) a transfer has been made from the General Fund UUT revenue to the Sewer Fund to fund the basic maintenance of the system. The amount was originally \$500,000 but was later changed to the current \$700,000 some time ago to recognize the growth in the tax.

A separate report on the option of annexing the city's facilities into the County of Los Angeles' Sewer Maintenance District was presented at the budget workshop on 5/22/14. The City Council directed staff to maintain city sewer operations in-house rather than pursuing annexation to the County. A report regarding the upgrade of the system will be brought back in September and will include in depth options for funding.

Another outstanding issue related to the Sewer Fund is the city's compliance with the new storm water permit requirements. Funds are provided in the Sewer Division for a storm water fee study and participation in the multi-city Enhanced Watershed Management Program continues. An ongoing funding solution will have to be found for the storm water costs, likely in the form of a storm water fee. Until this work is complete, costs of storm water compliance are not known and therefore are not represented in the 5-Year Capital Improvement Program.

**Insurance Fund**. The City established a goal of \$3,000,000 in net assets for the Insurance Fund in 2002. That goal was reached in 2011-12 for the first time.

A total of \$6 million is available in the Insurance Fund for Oil Project contingencies. \$3.5 million is recorded as a liability and an additional \$2.5 million is committed as a Contingency for the Oil Settlement.

The balance in the Insurance Fund is estimated to be \$5.4 million at the end of 2015. The amount has grown because funds unspent in the General Fund have been transferred in to this fund and because overall claims recorded have decreased (by \$1.6 million overall in 2013-14). Because claims liability levels are based on actuarial estimates and charges to the departments are set accordingly, the fund balance in the Insurance Fund grows when actual claims are less than estimates.

Since the funded balance exceeds our goal amount, this is an optimal time to review our practice on recording claims liabilities. Past practice has been to record liabilities at the lowest probability level of 55%. The latest actuarial reports present several probability levels as shown in the tables below.

| -                      | Liability for Unpaid<br>orker's Compensati |                  | Projected              | Liability for Unpaid<br>General Liability | Losses           |

| Central Estimate (56%) | \$6,525,102                                | \$5,565,912      | Central Estimate (56%) | \$1,410,155                               | \$1,386,334      |
| 70%                    | 7,112,361                                  | 6,066,844        | 70%                    | 1,607,288                                 | 1,580,421        |
| 80%                    | 7,634,370                                  | 6,512,118        | 80%                    | 1,776,476                                 | 1,746,781        |
| 90%                    | 8,417,380                                  | 7,180,027        | 90%                    | 2,044,357                                 | 2,010,184        |

While using a higher probability level for recording our claims will require more funds to be committed for those claims, it is a more conservative approach and therefore is more prudent.

Worker's compensation claims are currently recorded at \$6,935,246 and liability claims at \$1,179,671. Recording claims at the undiscounted 70% probability level would require an additional amount of \$177,115 be recorded for worker's compensation claims and \$427,617 for liability claims as of 6/30/14. The estimated balance in the Insurance Fund at 6/30/15 would become \$4,801,269.

The City Council elected to maintain the existing probability level for claims and directed staff to transfer funds available over the goal amount of \$3,000,000 from the Insurance Fund to the Sewer Fund at Midyear 2014-15.

**Equipment Replacement Fund (ERF).** During the economic downturn, various cost-savings measures were taken with respect to vehicles; lives were extended, purchases delayed and charges suspended. The City began replacing vehicles according to the schedule and in compliance with the new fleet policy in 2013-14.

This year, eleven (13) vehicles are recommended for replacement according to the criteria in the adopted fleet policy.

All Tasers in the Police Department are being replaced and will be added to the replacement schedule to ensure a planned purchase approach.

Communications equipment (including computers and peripherals) and business machines scheduled for replacement are funded as scheduled.

**Funding for Retiree Health Benefits.** Funds for the Annual Required Contribution for these benefits as determined by the actuarial study are included in the budget.

The current study covers fiscal years 2012-13, 2013-14 and 2014-15 so a new study will be prepared in 2014-15 for the following three years. GASB (Governmental Accounting Standards Board) 45 is the reporting requirement for Other Post- Employment Benefits (OPEB), similar to standards for reporting our retirement costs.

By funding the Annual Required Contribution, and setting aside funds in a trust, the City is meeting its contribution requirement, as we do with CalPERS. A review of retirement and OPEB benefits will be presented at the budget workshop by our independent actuary.

As of August, 2007, we placed funds for our OPEB (Other Post Employment Benefits) costs in an irrevocable trust. Higher investment earnings should be realized over time since the trust is structured as legally distinct from the city, and therefore not subject to the legal restrictions placed on city investments. Earning a higher rate of interest reduces our Annual Required Contribution. Separate investment policies exist for the trust.

Artesia Boulevard Relinquishment Fund. Funds received from the County when the City took over the maintenance of Artesia Boulevard have been expended therefore it is recommended that this fund be closed.

**Capital Improvement Fund.** The General Fund year end projection for 2013-14 shows an unspent balance in the General Fund of \$1.5 million. It is recommended that any available funds remaining in the General Fund in 2013-14 be transferred to the Capital Improvement Fund. While this balance shows in the 2014-15 Budget it is recommended that we review the actual amount available at Midyear Budget Review in February before amounts are allocated for future projects.

**Capital Improvements.** The Capital Improvement Program this year includes funds budgeted for 2014-15 and a 5-Year Plan to show total infrastructure needs. The Capital Improvement Program totals \$6.4 million for 2014-15, which includes \$2.6 million in estimated carryover funds from 2013-14. We are showing the prior year funding column in the budget on the CIP summary to give a better picture of all projects that are underway. \$3.8 million in new funds are budgeted. This includes \$328,058 potentially to be received from the Melchione Trust for the Surf Memorial. Over \$2.6 million is budgeted for street improvements, including funds for the PCH/Aviation Beautification Project, \$770,000 for sewer improvements, \$945,000 for park improvements, including South Park, and over \$2,000,000 for Buildings and Grounds Improvements, including Citywide Energy Conservation Upgrades. These projects are specifically identified as top and high priorities in the strategic plan. Please refer to the 5 Year Capital Improvement Program tab for details.

**Distinguished Budget Presentation Award.** The City received the Distinguished Budget Presentation Award from the Government Finance Officers Association for the first time in 2013-14. The award represents a significant achievement by the city. It reflects the commitment of the city and staff to meet the highest principles of government budgeting. This was the first time the city of Hermosa Beach submitted its budget for consideration.

In order to receive the budget award, the city had to satisfy nationally recognized guidelines for effective budget presentation. These guidelines are designed to assess how well an entity's budget serves as:

- a policy document
- a financial plan
- an operations guide
- a communications device

Budget documents must be rated "proficient" in all four categories, and in the fourteen mandatory criteria within those categories, to receive the award.

**DEPARTMENT DESCRIPTION:** The City Council consists of five citizens elected at large. The Mayor is appointed from the group. The City Council's responsibilities are: to establish City-wide policy; secure revenues and adopt an annual budget; appoint members of various City Commissions and Boards; rule on such matters as prescribed by the laws of the State of California and the City of Hermosa Beach.

The Council meets the second and fourth Tuesday of the month at 7:00 p.m. in the Council Chambers at City Hall.

ACCOUNT TITLE

**DEPARTMENT DESCRIPTION**: The Information Technology Division provides effective technology support for audio/visual, computer, multimedia, voice, video, and web based applications and services to all areas of the City. Promotes and facilitates the effective integration of technology into the basic mission of the City through planning, programming, training, consulting, and other support activities. Develop, enhance, and manage the City's enterprise networks to provide high speed, transparent, and highly functional connectivity among all information resources. Facilitates the collection, storage, security and integrity of electronic data while ensuring

appropriate access. Promotes new uses of information technology within the City through the support for exploratory and innovative applications. Provides leadership for effective strategic and tactical planning in the use of technology. Provide fast & reliable access to all information systems.

The City contracts for IT services with a private company. Computer and business machine replacement schedules are located in the Appendix. New purchases, as opposed to replacement purchases (per the replacement schedules) are listed below. Division costs are allocated to other departments by way of the Communications Equipment Replacement Charges shown as a line item in the budget.

**DEPARTMENT DESCRIPTION:** The primary service of the Building and Safety Division is to administer and enforce standards and codes for the safeguarding of life, health and property. Enforcement is implemented through checking plans, issuing permits, and inspecting construction at all phases of a project for compliance with the California Building Code, the Municipal Code and other safety standards related to material and structural soundness. The Building Division collects fees based on the cost of delivering services and processes and maintains records of permits, inspections, and plans.

Additionally the Division provides the following services: identifies violations and responds to reported violations of state and city codes and regulations relating to building safety, zoning, occupancy, commercial signs etc., and takes the

necessary administrative steps to remedy violations; prepares and updates codes based on state mandates; identifies and researches local trends and problems for local code modifications; provides support for the code appeals board; responds to inquiries and assists customers at various phases of development and construction projects; prepares and provides educational materials and inspection support for work in the public right-of-way.

DEPARTMENT DESCRIPTION: The Community Resources Department plans, manages and implements recreational, cultural and social service programs, both City sponsored and non-City sponsored special events in the City's parks, beaches and public facilities, City film permits and Pier Plaza promotions. The Department also manages the Community Center, Civic Theatre, Clark Building and other recreational facilities which provide rental and lease space for contract classes, senior programs, sports leagues, meetings, social events and non-profit organizations. The Assistant to the City Manager serves as staff liaison to the Parks, Recreation and Community Resources Advisory Commission. Cable TV is responsible for franchise administration, contract negotiations, filming City

Council, Planning Commission, Parks and Recreation Commission, and Public Works Commission meetings, administering cable advisory board, servicing of citizen complaints, monitoring legislation and industry practices, standards and technology.

**DEPARTMENT DESCRIPTION:** The Finance Administration division of the Finance Department maintains general ledger and accounting records for the City, manages internal controls process, payroll, accounts payable and accounts receivable. Finance Administration oversees grant reporting/auditing, collects and remits taxes and financial reports to County, State and Federal Agencies, as well as Comprehensive Annual Financial Statements (CAFR) and annual audit. The Department assists the City Manager with the annual operating and capital improvement budgets and provides support

services to the operating departments. Finance Department also issues rebates for the Lighting/Landscaping District Assessment as well as utility tax exemptions for our senior residents.

**DEPARTMENT DESCRIPTION:** This division of the Finance Department serves as the City's Cashier for incoming revenue. The division is responsible for the sale and record keeping for business licenses, animal licenses, various parking permits (preferential resident permits, daily permits, contractor's permits, temporary guest permits for the impacted beach area and driveway permits), taxi vouchers, bus passes and cash keys for use in the parking meters. Additionally, the division processes all parking citation payments and maintains the parking citation records.

**DEPARTMENT DESCRIPTION:** As a community driven organization, the Hermosa Beach Fire Department is dedicated to providing protection of life, property, and the environment through community risk reduction, advanced medical services, and fire suppression. The Fire Department provides for protection from medical emergencies, fires, explosions, hazardous materials and natural disasters. The Fire Department conducts fire and life-safety inspections; enforces codes and ordinances; investigates fires and gathers and preserves evidence; apprehends and assists in the prosecution of arson; and provides public education.

The Fire Department provides basic and advanced life support and transportation to local hospitals for victims of

medical emergencies that range from basic life support to life-threatening illnesses and/or traumatic injuries. The Fire Department also administers the City's Hazardous Material Plan and Emergency Preparedness Program.

The Fire Department is a "Full-Service, All-Risk" fire protection and emergency services organization. By not subscribing to a specialized "one-person, one-job" or "single role" model and by training and equipping our personnel to perform numerous missions, the Hermosa Beach Fire Department provides the residents, business owners, and visitors of the City a value-added return on its investment.

By consensus, the Fire Department has identified the following as core values and has established the expectation that all members shall live by them at all times:

- Integrity: Doing the right thing while maintaining a high level of professionalism.
- Courage: The instinctive state of mind and spirit where selfless acts derive.
- **Compassion**: Customer service provided with empathy, understanding and the desire to help.
- **Community**: Unity and like-mindedness with our community members.

**DEPARTMENT DESCRIPTION:** The Human Resources Department provides a full range of "hire through retire" services with a dedicated focus on recruitment, selection, training and retaining high quality personnel. The Department also manages a comprehensive City-wide employee salary and benefits program, along with labor relations and associated contracts; oversees all aspects of the City's comprehensive risk management program (including liability claims, workers' compensation, contract management and mandated reporting; and assists in moving the organization forward through achievement of strategic goals and

objectives. The Assistant to the City Manager serves as staff liaison to the Civil Service Board and serves as the City's Risk Manager.

| С        | Program Administration        | \$                     | 3,600 | 100  |  |

**DEPARTMENT DESCRIPTION:** Funds received from AB 2766/AQMD Emission Control Bill are deposited in the Air Quality Development Fund since they require separate accounting. Programs that reduce mobile

source emissions are eligible for funding from these monies. The HR Department administers a ride-sharing incentive program towards the goal of attaining the Council's objective of carbon neutrality.

**DEPARTMENT DESCRIPTION:** The Liability Insurance account reflects charges for the purchase and maintenance of the City's liability insurance and associated expenses. The Risk Manager is responsible for managing liability claims, administration of the City's claims administration contract, litigation management, and the City-wide

safety program. Division costs are allocated to other departments by way of the Insurance User Charges shown as a line item in the budget.

**DEPARTMENT DESCRIPTION:** The Citizen's Option for Public Safety (COPS) program, established by the state legislature in fiscal year 1996-97, provides funding for local agencies for the purpose of ensuring

public safety. Funds must be used for front line municipal police services and must supplement and not supplant existing funding.

**DEPARTMENT DESCRIPTION:** The primary service of the Public Works Administration and Engineering Division is to coordinate and blend the efforts of all divisions of the Public Works Department in accomplishing the directives of the City Council and the City Manager; including engineering and management of capital improvement projects. The Division also checks plans, issues permits, and inspects construction affecting the public right of way for compliance with the Municipal Code and other safety and industry standards.

Additionally, the Division provides the following services: precise development plan reviews. coordinates service requests, issues encroachment permits, responds to inquiries regarding speed humps, memorial disabled parking. program. and signage/striping/traffic concerns, administers NPDES program, provides GIS services, special event coordination, responds to code violations in the public right of way, grant research, responds to concerns related to utility providers and Caltrans, manages the

City Council meeting calendar, public noticing, and oversees City contractors for engineering, janitorial, landscaping, street sweeping and steam cleaning services, etc.

# PUBLIC WORKS DEPARTMENT PAVEMENT MANAGEMENT STUDY SOURCE OF FUNDS: PROPOSITION C FUND 2014-2015 BUDGET

FY 2015 Cost FY 2015 % DEPARTMENT DESCRIPTION: The Metropolitan Category <sup>1</sup> Service Provided 100% Transit Authority (MTA) requires that every jurisdiction 30,848 \$ 30,848 conduct and maintain a pavement management study Pavement Study 100 Α \$ (PMS) and file a pavement management system certification with the MTA. The requirement is consistent with Streets and Highways Code Section 2108.1. The PMS must include an inventory of existing pavements, an assessment of pavement condition, a list of all pavement sections needing rehabilitation or replacement, and a determination of budget needs for rehabilitation or replacement. The last PMS update was performed June 2007.

**DEPARTMENT DESCRIPTION:** The Street Maintenance Division is responsible for maintaining the public right of way to ensure pedestrian and vehicle safety. The division repairs and maintains streets, alleys, sidewalks, curbs and gutters; sweeping of streets and alleys is also performed. The Traffic Safety Division ensures the installation and maintenance of all mandated traffic

control devices and necessary appurtenances, such as street name signs and warning devices.

# EQUIPMENT REPLACEMENT FUND DEPARTMENTAL EQUIPMENT AND MAINTENANCE SOURCE OF FUNDS: INTERNAL SERVICE CHARGES 2014-2015 BUDGET

**DEPARTMENT DESCRIPTION:** Fuel costs, vehicle maintenance costs, heavy equipment, vehicle and business machine purchases are budgeted by department in the Equipment Replacement Fund. Computer purchases are budgeted in Information Technology Division. Effective 2009-2010, Police Department computer equipment is now budgeted in the Information Technology Department since they are no longer required to purchase equipment separately.

Vehicle, computer and business machine replacement schedules are located in the Appendix.

| PROJECT NO./TITLE: CIP 11-141 Gould Avenue Street Improvements |  |  |  |  |
|  | PROJECT DESCRIPTION:   |  |  |  |
|  | This project proposes pavement rehabilitation of Gould<br>Avenue/27 <sup>th</sup> Street between Sepulveda Avenue and<br>Manhattan Avenue. The project will also address<br>limited quantities of deteriorated concrete sidewalk,<br>curb and gutter, and drainage deficiencies. |  |  |  |
|  | JUSTIFICATION:   |  |  |  |
|  | The pavement surface of Gould Avenue /27 <sup>th</sup> Street is displaying severe alligatoring requiring increased  |  |  |  |
|  | pothole maintenance and repairs. Though deemed a<br>residential street it is an arterial by definition based on<br>traffic volume.   |  |  |  |
|  | STATUS:  |  |  |  |
|  | STATUS.  |  |  |  |
|  | Engineering Design will be Completed in FY 14-15   |  |  |  |

| PROJECT NO./TITLE: CIP 12-143 PCH-AVIATION E     | 146-8143-4201         BEAUTIFICATION PROJECT         PROJECT DESCRIPTION:         The purpose of this project is to improve the aesthetics along both the Aviation Boulevard and Pacific Coast Highway corridors. Improvements will include gateway signs, landscaping medians, street and pedestrian lighting, colored art panels, bus shelters, street furnishings, and other related streetscape improvements to help create an identity of Hermosa Beach. These improvements along with widening the sidewalks and installing medians on these corridors will to help create a pedestrian-friendly environment to enhances conditions for local business and ameliorate mobility.         The project will also be coordinated with the operational mobility improvements proposed by the PCH Traffic Improvements Project which will also include preliminary engineering for the intersection of PCH & Aviation - funded through the South Bay Measure R Program.         The Conceptual Plan for the project have been complete in FY 13-14         This project to be programmed/budgeted as follows: Phase I: Construct portion of project on PCH stretching from Herondo Street to Aviation Blvd. This will be presented as a Model project for the rest of the overall project (Phase III & IV). This Phase includes the implementation of wayfinding signage for the entire project (gateway monuments, street signs, marquee, etc.).         Scheduled for 2014-2017, to also include maintenance improvements.         Phase II: Underground utilities in portion of project on Artesia Boulevard. Scheduled for 2015-2018.         Phase III: Construct portion of project on Aviation Boulevard to Artesia Boulevard. Sch |

# **PROJECT NO./TITLE:** CIP 12-160 PCH Traffic Improvements

| PROJECT NO./IIILE: CIF 12-100 FCIT          | PROJECT DESCRIPTION:  |
|---|---|
|   | The purpose of this project is to improve<br>operational mobility along State Route 1<br>(Pacific Coast Highway) which also provides<br>operations in a parallel route. The work is<br>intended to upgrade the intersections by<br>possible construction of dedicated right and<br>left-hand turn pockets, restriping, and re-<br>signalization. The proposed project also<br>includes improvements including but not<br>restricted to signage, parking, and<br>channelization improvements of the segment<br>on PCH between Anita Street and Artesia<br>Boulevard and cross streets as required. This<br>segment was identified for improvement as per<br>SCAG's study (User-based Microanalysis of<br>SR 1, PCH) which was done in July 2009.<br>The scope of work will also include preliminary<br>engineering of PCH/Aviation Boulevard since<br>this intersection is a major intersection and is<br>part of the project study area.<br>The scope shown above is from the list of<br>projects funded through the South Bay<br>Measure R Program.<br>Traffic signal and pedestrian improvements at<br>the intersection of Pacific Coast Highway and<br>Pier Avenue are also included in the scope of<br>this project.<br>This work is being coordinated and ensured to<br>be consistent with the PCH/Aviation<br>Beautification Project.<br><b>STATUS:</b><br>Design in Progress. Will be Complete in FY14-<br>15. |

#### CITY OF HERMOSA BEACH CAPITAL IMPROVEMENT PROJECT REQUEST

DEPARTMENT: PUBLIC WORKSPRIORITY NO.:ACCATEGORY:STREET AND HIGHWAY IMPROVEMENTS12

ACCOUNT NO.: 122-8173-4201

**PROJECT NO./TITLE:** CIP 14-173 8th Street - Safe Route to School Project

#### **PROJECT DESCRIPTION:**

The project consists of improvements that provide a "safe route to school" to Hermosa Valley School at 1645 Valley Drive in the City of Hermosa Beach. Improvements include continuous sidewalk and ADA curb access ramps on both sides of 8<sup>th</sup> Street, from Hermosa Avenue to Valley Drive; installing yellow ladder crosswalks on both sides of 8<sup>th</sup> Street at intersections of: Manhattan Avenue, Monterey Blvd., Loma Drive, Cypress Avenue, Bard Street and Valley Drive, installing new MUTCD School Zone signs along 8<sup>th</sup> Street and upgrade School Zone signs along Valley Drive; installing a new ramp at the intersection of 16<sup>th</sup> Street and Ardmore Avenue to cross the Hermosa Valley Greenbelt and join the existing ramp leading to the school.

#### JUSTIFICATION:

Lack of continuous sidewalks on 8<sup>th</sup> Street between Valley Drive and Hermosa Avenue

#### STATUS:

Survey and design to begin FY14-15

**DEPARTMENT: PUBLIC WORKS PRIORITY NO.:** ACCOUNT NO .: CATEGORY: 160-8401-4201 Sewer Improvements 301-8401-4201 **PROJECT NO./TITLE:** CIP 13-401 Sewer Improvements Various locations PROJECT DESCRIPTION: Design for Sanitary sewer rehabilitation at various locations, including minor storm drain improvements as determined by CIP 07-422. Update of the City's Sewer Master Plan performed in FY 2007-08. JUSTIFICATION: The entire City's sanitary sewer network was inventoried during the citywide sewer video project performed in FY07-08 as part of CIP 07-422 Update of the City's Sewer Master Plan. As a result sewer segments were identified and prioritized for repair based on the level of distress. This project will include engineering and construction of sewer work required to be performed in association and in advance of streets designated for rehabilitation in FY 2012-13. **PROJECT COSTS REMAINING PRIOR YEAR FUNDS**

JUSTIFICATION:         Old Traffic Office on Bard - Remove walls and drop ceiling, install panels on walls, install shelving, security gate and alarm system to added property/evidence storage for bicycles and larger property items.         New Traffic Office on Bard: Install new (currently non-existing) bathroom in traffic office. Add driveway to roll-up door.         New Traffic Office on Bard: Build new armory, and install security fencing and alarm system. This will consolidate all range and armory equipment in one place.         Police Station: Install new lock system which includes key fobs and keypad access at all doors. Our current flat key system in no longer supported and not able to be repaired. Several locks are in need of repair.         STATUS: |

| PROJECT NO./TITLE: CIP 13-656 Citywide   | e Energy Conservation Upgrade  |
|  | PROJECT DESCRIPTION:   |
|  | Conduct energy audits for all City facilities in order to assess   |
|  | areas where the City can reduce electricity and natural gas  |
|  | uses and costs. This will also help explore solutions to attain  |
| 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1  | higher levels of energy efficiency including the use of solar panels.  |
|  |  |
|  | The scope of this project also includes replacement of the   |
| All a start and a start and a start a st | City Buildings and Parks interior lights and City owned<br>streetlights  |
|  | otiootigno   |
|  |  |
|  |  |
|  | JUSTIFICATION:   |
|  | Part of the strategy and steps undertaken by the City to   |
|  | accelerate energy reduction and cost saving in support of the  |
|  | City Council carbon neutral policy, this project will implement a City Facilities and streetlight energy efficiency. |
|  | a City Facilities and streetlight energy enciency.   |
|  |  |
|  |  |
|  |  |
|  | STATUS:  |
|  | Audit completed in FY 13-14<br>Partial Interior lights were installed in City Buildings and Parks                    |
|  | through SCE Direct Install Program in FY13-14  |
|  | Begin replacement of City owned streetlights fixtures in FY  |
|  | 14-15  |
|  | Staff is working with solar vendors to research options to   |
|  | determine feasibility and cost-effectiveness of installing solar   |
|  | panels on City buildings or grounds.   |

| CTY HERMOSA BEACH<br>BIS VALLEY DRIVE                                  | PROJECT DESCRIPTION<br>The objective of this study is to assess the condition of the City's buildings including City Hall, Fire./Police Department buildings, Base 3 building, Community Center, and other structures. The study' scope which is yet to be determined may include a needs and space planning analysis, seismic evaluation, ADA compliance and transition plan, building systems assessment (including major mechanical, electrical, plumbing), and an asbestos / lead-based paint survey. An inventory of the condition of the City's buildings and structures and a prioritized list of repairs/improvements with estimated costs will be developed. The study will provide a schedule of recommended repair/upgrades which should assist in the compilation of CIP budgets. JUSTIFICATION: To facilitate future repairs and improvements. STATUS: |

**PROJECT NO./TITLE:** CIP 14-173 8th Street - Safe Route to School Project

#### **PROJECT DESCRIPTION:**

The project consists of improvements that provide a "safe route to school" to Hermosa Valley School at 1645 Valley Drive in the City of Hermosa Beach. Improvements include continuous sidewalk and ADA curb access ramps on both sides of 8<sup>th</sup> Street, from Hermosa Avenue to Valley Drive; installing yellow ladder crosswalks on both sides of 8<sup>th</sup> Street at intersections of: Manhattan Avenue, Monterey Blvd., Loma Drive, Cypress Avenue, Bard Street and Valley Drive, installing new MUTCD School Zone signs along 8<sup>th</sup> Street and upgrade School Zone signs along Valley Drive; installing a new ramp at the intersection of 16<sup>th</sup> Street and Ardmore Avenue to cross the Hermosa Valley Greenbelt and join the existing ramp leading to the school.

#### JUSTIFICATION:

Lack of continuous sidewalks on 8<sup>th</sup> Street between Valley Drive and Hermosa Avenue

#### STATUS:

Survey and design to begin FY14-15

|   |                   | PROJECT DESCRIPTION:         The purpose of this project is to develop a Traffic Calming Program that addresses neighborhood traffic safety concerns. The development of the program will require partnering with citizens and/or community groups to become actively involved in the development of traffic calming strategies.         The goal of the Traffic Calming Program is to improve the quality of life within residential neighborhoods by identifying traffic problems and to find acceptable and appropriate solutions.         The main objectives of the program will be to reduce the speed of vehicle traffic, promote other forms of non-motorized transportation, reduce cutthrough traffic, minimize the negative effects of automobile travel, create attractive streets, and to improve the safety and convenience of pedestrians and cyclists. ### **5 - YEAR FORECAST**

2015-2016 2016-2017 2017-2018 2018-2019 2019-2020 This page intentionally left blank

June 24, 2014

Honorable Mayor and Councilmembers:

A five-year forecast for 2015-16 through 2019-20 is provided herein for the third time. Previous forecasts were for one additional year only. The City Council adopted a Strategic Plan with five-year goals and management and action items for 2013, many of which are reflected in the 2014-15 Budget.

#### **Current Financial Condition, 2014-15**

A brief overview of the 2014-15 Preliminary Budget is included here.

The forecast focuses on the General Fund since the majority of the city's operating expenses are paid from this fund.

The 2014-15 Budget shows a revenue over expenditure differential of 4%. The budget reflects the policy of maintaining a contingency or "rainy day fund" of 16% of operating expenditures, or \$4.9 million. This is a best practice recommended by the Government Finance Officers Association (GFOA) and an adopted city financial policy.

**Revenue.** Revenue in the General Fund shows an increase of 1.33%. The change in budget estimates for some of the largest revenue sources are shown below:

|                             | 2014-15 |
|-----------------------------|---------|
| Secured Property Tax        | +4%     |
| Sales Tax                   | +2%     |
| Utility User Tax            | <1%     |
| Transient Occupancy Tax     | +6%     |
| Property Tax In Lieu of VLF | +4%     |
| Licenses and Permits        | +3%     |
| Fines and Forfeitures       | +6%     |
| Service Charges             | <1%     |

#### Largest Revenue Sources

**Expenditures.** Expenditures in the General Fund increase by almost 1.63%. Personnel costs increase due to the addition of four full time positions and two full time/temporary positions.

Salary costs also reflect bargained changes with all employee groups which require employees to pay the full cost of the employee share of retirement by 2014-15, with offsetting salary increases. Otherwise the only increases included are step increases for employees with less than five years of service.

Employee benefits increase 13% due to estimated insurance increases, and retirement costs decline by 1%. Insurance estimates are typically very conservative and therefore are likely high. Personnel costs represent 63% of expenditures in the General Fund.

Private contract services decrease by 7% and government contract services are flat, with a .2% decrease.

**Capital Improvements.** New capital funding of over \$700,000 is provided from the General Fund for Capital Improvement Projects which is an increase of \$400,000 over 2013-14.

### Five-Year Forecast 2015-16 through 2019-20

As reflected in the economic measures presented below, median home prices are improving at the national, state and local level. Property tax is assumed to increase at the 2% per year in the five year forecast. Since sales tax is projected at a slightly higher level than prior to the recession and transient occupancy tax is projected at the highest revenue level ever at 6% over the prior year, no further increases are assumed in the forecast for those sources. Hotel occupancy through February 2014 is 79% compared to 77% in 2013 as shown in the economic measures below. These assumptions result in a conservative revenue forecast of 1% growth per year.

#### **Comparative Economic Measures**

| Measure  | U.S.<br>2014           | U.S.<br>2013           | Los<br>Angeles<br>2014 | Los<br>Angeles<br>2013 | Hermosa<br>Beach<br>2014 | Hermosa<br>Beach<br>2013 |
|--|------------------------|------------------------|------------------------|------------------------|--------------------------|--------------------------|
| Unemployment<br>March                                    | 6.7% <sup>8</sup>      | 7.6% <sup>1</sup>      | 8.1% <sup>1</sup>      | 9.9% <sup>1</sup>      | 4.4% <sup>1</sup>        | 5.3% <sup>1</sup>        |
| Median Home Price<br>Average 2012<br>Thru March 2013     | \$198,500 <sup>2</sup> | \$184,300 <sup>2</sup> | \$428,722 <sup>7</sup> | \$349,500 <sup>3</sup> | \$1,138,278 <sup>7</sup> | \$948,444 <sup>7</sup>   |
| Hotel Occupancy<br>Rate (Jul Thru Feb)                   |                        |                        | 80% <sup>4</sup>       | 78% <sup>4</sup>       | 79% <sup>5</sup>         | 77% <sup>5</sup>         |
| Consumer Price<br>Index – All Urban<br>Consumers - March | 1.5 <sup>8</sup>       | 1.5 <sup>8</sup>       | 1.0 <sup>8</sup>       | 2.0 <sup>6</sup>       |                          |                          |

Expenditure Assumptions used in the forecast:

- Salaries are assumed to be flat in 2014-15. Scenario 3 shows the effect of adding a 3% salary increase to 2015-19 in addition to the changes in Scenario2. Step increases are included for employees with less than five years of service.
- Healthcare benefit increases of 14% for health, 7% for dental and 3% for vision are assumed for all forecast years, which averages to a 13% increase in employee benefits.
- 2% increases to all utilities

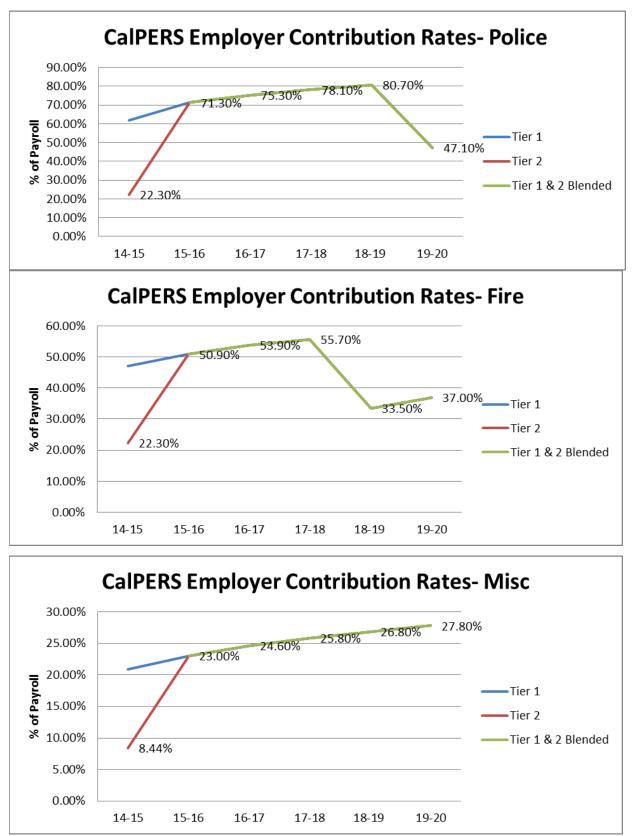

- Vehicle charges are included as a constant for all years.
- Election costs of \$50,000 were included for even numbered years 2015-16 and 2017-18.
- No Retirement Stabilization funds were used to balance any of the forecast years. The balance is \$1,000,000.
- Our goal of 16% of operating expenditures in the General Fund for Contingencies is included for each year. This contingency amount serves as the City's "Rainy Day Fund".
- The capital improvement contribution from the General Fund is constant at \$700,000. The transfer of over \$150,000 from the General Fund to the Sewer Fund made in 2014-15 to cure the deficit caused by additional costs related to the Storm Water permit is not continued into future years. The Sewer Fund is not part of the forecast but is the subject of several planned special meetings with the City Council to develop a strategy for sewer improvements and ongoing funding.
- Second tier retirement plans were implemented as of July 2011. Employer rates for both tiers show in the following retirement graphs for 2014-15, with blended rates shown thereafter for Tier 1 and Tier 2. These rates were projected by an independent actuary and presented to the City Council at the budget workshop. Hermosa Beach also has a third tier which resulted from the state pension reform effective 1/1/13. CalPERS has only issued rates for plans under the new pension reform for one year, 2014-15. Those rates are 6.25% for the Miscellaneous Group and 12.25% for Safety Groups with a matching employee rate.

The drop in 2018-19 shown in the following graphs reflects the payoff of the Fire Group Side Fund (which is the liability that existed in 2003 when CalPERS "pooled" our plans with other cities of similar size). Fire and Police Side Funds pay off in 2018-19 and 2019-20, respectively, with a projected drop in rates of 34 points and 22 points. The Miscellaneous Group Side Fund also pays off in 2020-21, which is beyond the range of the graphs.

This forecast assumes no issuance of pension obligation bonds (POB's) to pay off side funds early since the current side fund calculation results in the city paying less than owed. Under this scenario, pension obligation bonds would not save money. However, the CaIPERS Board did change the side fund formula to collect a flat dollar amount rather than a % of payroll. When the new CaIPERS actuarial valuations are issued in the fall, staff will re-evaluate options with the financial advisor and actuary. It is very likely that POB's will make sense once the formula is changed.

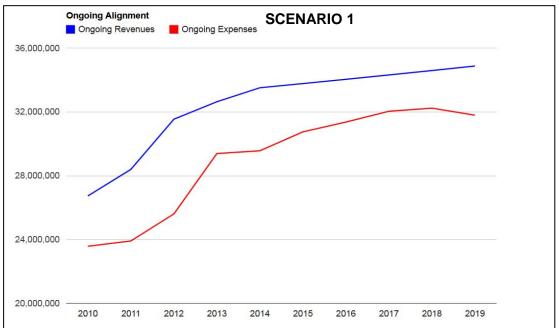

Retirement costs overall increase 12% on average for the first three years of the forecast and then decline by 5% in 2018-19 due to the Fire Side Fund payoff and 22% in 2019-20 due to Police Side Fund payoff. As mentioned earlier, as of 2014-15, the city is no longer paying a portion of the employee retirement contribution.

# CalPERS Retirement Employer Contribution Rates (% of Payroll)

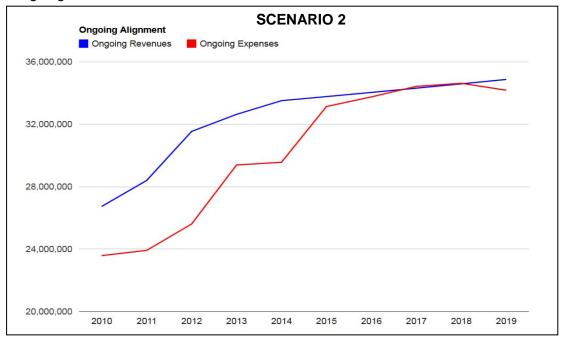

**Fiscal Health Model.** The following graphs were generated using the newly implemented Fiscal Health Model from the International City/County Management

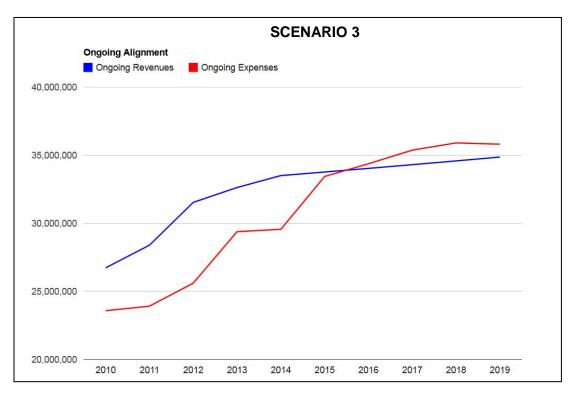

Association's (ICMA) Center for Performance Based Budgeting and presented to the City Council at the first budget workshop.

Scenario 1. The model is used to generate various scenarios, building upon the 2014-15 Budget which includes the previously outlined assumptions. Scenario 1 depicts the revenue and expense assumptions outlined earlier with the exception that the Fiscal Health Model sorts ongoing from one time revenue and expenses and includes only ongoing in the model.

Scenario 2. Adding in an annual cost of \$1,590,000 for Capital Improvement Financing totaling \$20 million (roughly equaling 12% of the city's capital needs) and an annual cost of \$800,000 for Oil Debt Service Payments to the baseline assumptions results in Scenario 2. This scenario shows projected ongoing expenses exceeding ongoing revenue in 2016. The dip in expenses beginning in 2018-19 results from the aforementioned payoff of Police and Fire CalPERS side funds.

Scenario 3. Adding in the assumption that salaries will increase by 3% per year to the above assumptions results in Scenario 3 above which reflects expenses exceeding revenue.

The scenarios presented will need to be modified or additional revenue will be necessary to fund these assumptions. These scenarios show that, while ongoing revenue exceeds ongoing expenses now, it will not be possible to fund identified capital needs and rising personnel costs associated with 1<sup>st</sup> class services into the future without significant adjustments to revenue, expenditures, and service levels.

**Insurance Fund.** The City established a goal of \$3,000,000 in net assets for the Insurance Fund in 2002. That goal was reached in 2011-12 for the first time. Subsequently, because the oil settlement produced a known liability of at least \$3.5 million, that amount was recorded at the end of 2011-12.

Additional funds were set aside in the 2013-14 Budget to bring the amount committed as a Contingency for the Oil Settlement to \$2.5 million in the Insurance Fund. Combining this amount with the \$3.5 million liability means a total of \$6 million is available.

Based on the actuarial study, claims liabilities have decreased by \$1.6 million overall in 2014-15, resulting in a higher fund balance. The City Council directed that any amount over the \$3 million goal amount be transferred to the Sewer Fund for Midyear Review 2014-15.

**State Budget Impact.** No impact is assumed from the State budget. The State Legislative Analyst's Office Fiscal Outlook "reflects continued improvement in the state's finances. A restrained budget for 2013-14, combined with our updated forecast of increased state revenues, has produced a promising budget situation for 2014-15. (The) Forecast indicates that, absent any changes to current laws and policies, the state would end 2014-15 with a multibillion-dollar reserve. Continued caution is needed, however, given that these surpluses are dependent on a number of assumption that may not come to pass."

**Impact of Economic Environment and CalPERS Policy on Employer Rates.** On February 18 2014, the CalPERS Board made important decisions regarding the funding of pension benefits at CalPERS. Specifically, the Board adopted relatively modest changes to the current asset allocation that will reduce the expected volatility of investment returns while holding the fund's long-term assumed rate of return at 7.5 percent. The Board also adopted more significant changes to the actuarial assumptions, most importantly, the inclusion of future mortality improvements in the actuarial assumptions. Finally, the Board approved a financing method which determines when and how quickly these changes will impact employer contributions. The actuarial assumptions adopted by the CalPERS Board of Administration are designed to ensure greater sustainability and soundness of the pension fund, and will be better at predicting future experience resulting in more secure retirement benefits in the decades to come.

The assumption causing the largest increase in rate for all plans is the proposed change in post-retirement mortality which includes the inclusion of future mortality improvements in the actuarial assumptions.

After hearing various inputs regarding implementation of these changes, the Board opted to first reflect the change in assumptions in the 2016-17 Fiscal Year with the cost spread over twenty years with the increases phased in over the first five years and ramped down over the last five years of the twenty year amortization period. The actuarial assumptions adopted by the CalPERS Board of Administration are designed to ensure greater sustainability and soundness of the pension fund, and will be better at predicting future experience resulting in more secure retirement benefits in the decades to come.

The implemented two tier retirement system of 2011-12 is now a three tier system, as a result of state pension reform which took effect in January 2013. Plans under each tier are as follows:

| Group         | Tier 1 Plan | Tier 2 Plan | PEPRA Plan |
|---------------|-------------|-------------|------------|
| Police        | 3% @ 50     | 2% @ 50     | 2.7% @ 57  |
| Fire          | 3% @ 55     | 2% @ 50     | 2.7% @ 57  |
| Miscellaneous | 2% @ 55     | 2% @ 60     | 2% @ 62    |

Historical investment returns for CalPERS are as follows:

| 10 years     | 7.2%  |
|--------------|-------|
| 5 years      | 12.5% |
| 3 years      | 10.4% |
| Fiscal year  |       |
| to date 6/14 | 18.4% |

# CONCLUSION

Steps taken as the economy started to decline in 2008 achieved a structural balance that was necessary to prevent expenditures from outpacing revenue. The new Fiscal Health model allows us to present a picture of the future based on various assumptions which will be a useful tool moving forward for the upcoming decisions regarding infrastructure, development of the community and achieving a high performing organization, along with the other objectives outlined in the strategic plan.

Respectfully submitted,

Jai Ceperand

# FINANCIAL POLICIES

This page intentionally left blank

# FINANCIAL POLICIES

# Fund Balance Policies

The City Council has adopted policies for specific fund balances or reserve funds:

| General Fund               | Any funds remaining unspent at year-end in the General<br>Fund transfer equally to the Contingency Fund,<br>Insurance Fund, Equipment Replacement Fund and the<br>Capital Improvement Fund. Transfers may be redirected<br>as the need arises. |
|----------------------------|--|
| Contingencies*             | The adopted goal is to maintain fund balance equal to 16% of the General Fund appropriations for economic uncertainties and unforeseen emergencies.  |
| Compensated Absences       | The adopted goal is to maintain fund balance equal to 25% funding for accrued liabilities for employee vacation, sick and compensatory time.   |
| Retirement Stabilization   | These funds are set aside for use during periods of unstable rates.  |
| Insurance Fund             | The adopted goal is to maintain \$3,000,000 in net assets for unanticipated claims and catastrophic losses. Claims liabilities are recorded at the 56% probability level.  |
| Equipment Replacement Fund | The adopted goal is to maintain net assets equal to the accumulated amount calculated for all equipment, based on replacement cost and useful life of equipment.   |

\*The Contingencies balance in the General Fund is intended to serve as a hedge against uncertainty in the estimates used in the budget and multi-year forecast and as a reserve in the event of an emergency. Risks associated with estimates include the following:

<u>Revenue risks</u>: Revenues falling short of budget estimates may cause deficits. Transitional funding may be necessary to respond to reductions in major revenues due to local, regional, and national economic downturns (which could range from one year to several years).

<u>State budget risks</u>: In the past, the State has implemented budget solutions that legislatively reallocate intergovernmental revenues from local jurisdictions to the State (in the absence of guarantees or constitutional protection of these revenues). These include property taxes, sales taxes, gas taxes, grants, and reimbursements.

<u>Uncontrollable costs</u>: Fluctuations in retirement costs due to market conditions and pension system investment performance. The City does also have funds set aside for Retirement Stabilization. In addition, there may be other cost increases that are beyond the City's control (e.g., fuel, utility charges).

## Accounting and Reporting Policies

The City's accounting and financial reporting systems will be maintained in conformance with all state and federal laws, generally accepted accounting principles (GAAP) and standards of the Governmental Accounting Standards Board (GASB) and the Government Finance Officers Association (GFOA). Further, the City will make every attempt to implement all changes to governmental accounting practices at the earliest practicable time.

An annual audit will be performed by an independent public accounting firm with an audit opinion to be included with the City's published Comprehensive Annual Financial Report (CAFR).

The City's CAFR will present budgetary comparisons as part of audited basic financial statements.

The City's CAFR will be submitted to the GFOA Certification of Achievement for Excellence in Financial Reporting Program. The financial report should be in conformity with GAAP, demonstrate compliance with finance related, legal and contractual provisions, disclose thoroughness and detail sufficiency, and minimize ambiguities and potentials for misleading inference.

The City's CAFR will also be submitted to the California Society of Municipal Finance Officers (CSMFO) Awards Program and to national repositories identified by the City's bond trust agent in compliance with continuing disclosure requirements and to enable investors to make informed decisions.

### Internal Controls

A system of effective internal controls will be maintained that assures only properly authorized expenditures, recordings of financial transactions, and accounting entries are executed and provides for the physical security of City funds and assets.

The City's independent auditor conducts annual reviews of the City's internal controls in conjunction with the annual audit to assure that adequate internal controls exist, at a reasonable cost, and that fiscal practices are in compliance with federal, state and city rules and regulations.

The City's cash handling practices are also reviewed in conjunction with the independent audit.

### **Classification of Fund Balance**

In accordance with the Governmental Accounting Standards Board (GASB) Statement No. 54, classifications of fund balance used are as follows:

<u>Non-spendable</u> fund balances include amounts that cannot be spent because they are either (a) not in spendable form, or (b) legally or contractually required to be maintained intact. Examples are inventory, prepaid items, long-term notes receivable

<u>Restricted</u> fund balances are the portion of fund balance that have externally enforceable limitations on their usage through legislation or limitations imposed by creditors, grantors, laws and regulations of other governments or enabling legislation.

<u>Committed</u> fund balances are self-imposed limitations by the highest level of decision-making authority, namely the City Council, prior to the end of the reporting period. City Council approval is required to commit resources or to rescind the commitment.

<u>Assigned</u> fund balances are limitations imposed by management based on the intended use of the funds. Modifications or rescissions of the constraints can be removed by the same type of action that limited the use of the funds

<u>Unassigned</u> fund balances represent funds that have not been restricted, committed or assigned to specific purposes with the general fund.

### Pension and Other Post Employment Benefit (OPEB) Funding

### <u>Pension</u>

The City's retirement plan for full time employees is provided through California Public Employees Retirement System (CalPERS). The City's contributions to the plan fluctuate each year based on an annual actuarial plan valuation. This variable rate employer contribution includes the normal cost of

providing contracted benefits plus or minus an amortization of plan changes and net actuarial gains and losses since the last valuation period.

It is the City's policy to make contributions to the plan equaling 100% of the actuarially required contribution (ARC). Because the City pays the entire actuarially required contribution each year, by definition, its net pension obligation at the end of the each is \$0. Any unfunded actuarial liability is amortized and paid in accordance with the actuary's funding recommendations.

#### OPEB

The City participates in a post- retirement health care plan trust administered by Public Agency Retirement Service's (PARS). Varying benefits are provided according to the City's Memorandums of Understanding (MOU's) with each employee group.

It is the City's policy to make contributions to the plan equaling 100% of the actuarially required contribution (ARC). Because the City pays the entire actuarially required contribution each year, by definition, its net pension obligation at the end of the each is \$0. Any unfunded actuarial liability is amortized and paid in accordance with the actuary's funding recommendations. An actuarial study is performed every three years in accordance with Governmental Accounting Board Standards. (GASB).

#### Internal Service Funds

The City uses internal service funds to account for equipment replacement costs, insurance costs, building maintenance costs and information technology costs and to account for the financing of goods and services provided by one department or agency to other departments or agencies of the City through user service charges.

Internal Service Funds shall be used to equitably distribute facility, vehicle and equipment replacement and maintenance costs among City user departments and to assure that adequate funding is on hand to replace/maintain assets and pay liabilities.

Internal Service Funds are maintained to account for insurance payments and claims liabilities and to provide a mechanism to fully fund such costs and liabilities.

### **Budget Policies**

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted (committed, assigned and unassigned) as they are needed when expenditures are incurred.

One-time revenue will be reserved or used for one-time expenditures or capital improvements. Conversely, on-going revenues will be used to fund on-going expenditures.

The City will prepare a five- year forecast annually to emphasize and facilitate long range financial planning.

The City will prepare a budget summary or a budget in brief to summarize financial factors, provide financial summaries and identify keys issues affecting the budget as a tool to educate and involve the public.

It is the City's policy to adopt a balanced General Fund budget where operating revenue is equal to, or exceeds, operating expenditures. In the event a balanced budget is not adopted, a specific plan will be presented to the City Council for returning the budget to a balanced position.

The City Council and Department Heads will be provided with periodic summary financial reports, by fund, comparing actual revenues and expenditures to budgeted amounts.

#### **Budget Process**

The budget process begins each year in February with a Pre-Budget Policy meeting with the City Council, City Manager and Department Heads. The meeting is an early opportunity to review City Council goals, identify upcoming issues that may affect the budget and a chance for the City Council to discuss policy issues that may impact budget preparation. Department Heads prepare estimates of revenues and departmental expenditures for submission to the Finance Director. The City Manager and Finance Director meet with each department to review the estimates and discuss requests. From these meetings, the preliminary budget is developed. The Capital Improvement Budget, which is part of the same document, follows the same process.

The City Manager is required to submit a preliminary budget to the City Council on or before May  $15^{th}$  of each year. One or two public workshops are held in May and June to review the budget and receive public input. One formal public hearing is held in June, prior to budget adoption. The City Council must adopt an annual budget, by resolution, on or before June 30 for the coming fiscal year (July 1 – June 30). If the budget is not adopted by that date, the preliminary budget, except for capital outlays, goes into effect until the budget is adopted.

The budget may be amended during the year as necessary. A Midyear Budget Review is conducted in February, at which time adjustments to revenue estimates and appropriations are made. Expenditures may not exceed appropriations at the fund level. The City Manager may approve transfers of appropriation within funds; transfers of appropriations from one fund to another require City Council approval.

Budgets are adopted for all governmental and proprietary funds on a basis consistent with generally accepted accounting principles.

### Appropriation Limitation

The City Council annually adopts a resolution establishing the City's appropriation limit in accordance with Article XIII-B of the Constitution of the State of California, Section 7900 of the State of California Government Code. The resolution is considered in conjunction with adoption of the annual budget. The limit is reviewed by the City's independent auditors as required by law.

### **Revenue Policies**

The City will estimate annual revenues using an objective, analytical process; specific assumptions will be documented and maintained. Budgeted revenues will be estimated conservatively using accepted standards, trends and estimates provided by the state, other governmental agencies, reliable economic forecasters and/or consultants when available.

The City plans to conduct a user fee study at least every five years to ensure cost recovery and subsidy levels are correct and to ensure that service delivery methods are represented accurately in the study. The study will determine the full cost of providing services and identify subsidy levels so that the appropriate recovery level may be set.

### **Debt Service**

The City will consider the use of debt (bonds, certificates of participation or capital leases) only for onetime capital improvement projects. The project's useful life will not exceed the term of the financing. Debt financing will not be used for current operations. Even though California Government Code Section 43605 provides for a legal debt limit of 15% of gross assessed valuation; the City uses a limit of 2%. (Because this provision was enacted when assessed valuation was based on 25% of market value, the valuation will be calculated at 25% before the debt limit is applied).

The City will seek to obtain the highest possible bond rating and to maintain or improve the rating in order to minimize borrowing costs and preserve access to credit.

The City will generally conduct financings on a competitive basis; however, negotiated financings may be used where market volatility or the use of an unusual or complex financing or security structure is a concern with regard to marketability. The City has chosen not to use long-term debt to pay for capital improvement or infrastructure improvements at this time; therefore no debt service is shown in the budget.

### **Investment Policies**

Investments are governed by a separate investment policy that is adopted by resolution every year.

#### **Website Presentation of Financial Documents**

The City will use its website to present official financial documents of the City and other financial documents that may be of interest to the public and as an important investor relations tool.

# **RESOLUTION NO. 14-6906**

# A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HERMOSA BEACH, CALIFORNIA, APPROVING AND ADOPTING THE ANNUAL APPROPRIATION LIMIT FOR THE FISCAL YEAR 2014-2015

WHEREAS, the voters of California, on November 6, 1979, added Article XIII B to the State Constitution, placing various limitations on appropriations of state and local governments; and

WHEREAS, Article XIII B provides that the appropriation limit for the fiscal year 2014-2015 is calculated by adjusting the base year appropriation of fiscal year 1978-79 and subsequent years for changes in the cost of living and population; and

WHEREAS, Proposition 111 (Section 1.5 of Article XIII B), enacted by the voters on June 5, 1990, modified the method of calculating the limit, beginning with fiscal year 1990-91; and

**WHEREAS**, the City of Hermosa Beach has complied with all of the provisions of Article XIII B in determining the appropriation limit for fiscal year 2014-15.

17

# NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF HERMOSA BEACH, CALIFORNIA, DOES RESOLVE AS FOLLOWS:

**SECTION 1.** That the City of Hermosa Beach chooses to use the Increase in Non-Residential Assessed Valuation Due to New Construction as the inflation adjustment factor for fiscal year 2014-2015.

23 <u>SECTION 2.</u> The City of Hermosa Beach chooses to use the Change in Population for
 24 the County of Los Angeles as the growth adjustment factor for fiscal year 2014-2015.

SECTION 3. The City of Hermosa Beach uses the <u>Uniform Guidelines</u> published by the
 League of California Cities in March 1991 to determine the limit and appropriation subject to the
 limit.

DEC was combined with the General Fund in FY12/13 Transfers In and Out are not Included

# **EXPLANATION OF USER CHARGE ALLOCATIONS**

**Communications Equipment Replacement Charges:** Departments are charged user charges for the replacement of computer equipment, peripheral equipment, business machines and for a proportionate share of the Information Technology Division costs. The current useful life for personal computers is 3 years, while peripherals range from 4 to 6 years. The useful life for business machines is 7 years. The allocation is distributed based on the following weighted formula:

Annual amortization + percent of Information Technology equipment amortization + percent of total Information Technology Division costs + business machine amortization.

**Equipment Replacement Charges:** Departments are charged user charges for the replacement of vehicles, heavy equipment, general small equipment and for a proportionate share of the Equipment Service Division costs. The useful life for vehicles and heavy equipment ranges from 3 to 25 years. The allocation is distributed based on the following weighted formula:

Percent of Equipment Service Division costs + Department Parts & Fuel + Department vehicle amortization + Department specific services.

**Building Maintenance Charges:** Departments are charged user charges for the maintenance of all City buildings. The allocation for 2014-15 is \$101,555 and is distributed based on the square footage occupied by each department. This amount does not provide the full amount needed for all building maintenance but is a step toward providing necessary funds.

**Insurance User Charges:** Departments are charged user charges for liability, worker's compensation, unemployment, and property and bonds. Costs are allocated using the following weighted formulas:

# Liability

Percent of losses for 3 years x per cent of payroll + per cent of vehicles x Liability Department costs.

# Worker Compensation

Percent of Payroll x Workers Compensation Department costs.

# Auto/Property/Bonds

Property – Premium based on percent of occupied square footage. Auto – Direct charge for vehicles Bonds – Number of employees as ratio of total employees + direct charge for department specific bonds.

# **Unemployment**

Percent of Payroll x Unemployment Department costs.

V = Vehicle

H Eq = Heavy Equipment

O Eq = Other Equipment

NOTE: EQUIPMENT SERVICE VEHICLE IS INCLUDED IN PUBLIC WORKS ADMINISTRATION BECAUSE AMOUNT IS TOO SMALL TO ALLOCATE TO ALL DEPARTMENTS.

\* FUNDED BY OFFICE OF TRAFFIC SAFETY GRANT. NOT INCLUDED IN EQUIPMENT REPLACEMENT CHARGES.

- \*\* THERE WAS AN INCREASE TO THE NEW VEHICLE CPI FROM JAN 2010 TO DEC 2010 OF 3.9%; THEREFORE VEHICLE REPLACEMENT VALUES WERE INCREASED BY 3.9% FOR FISCAL YEAR 2012-13
- \*\*\* REFLECTS INCREASE OF .46% TO REFLECT INTEREST THAT WOULD BE EARNED IF INTEREST WAS ALLOCATED TO THIS FUND. For FY 2013-14 increase to .7%.
- (a) ALL POLICE VEHICLES INCLUDE "SET UP" IN REPLACEMENT COSTS.

All Information Technology department equipment is allocated to departments in computer replacement charges based on % of total computer equipment owned by each department.

17 inch Flat Panel Monitors were added effective 7/1/2006 to be purchased every 6 years. Desktop computer prices were adjusted to reflect the cost of the computer only. Total cost for the flat panel and separate desktop is less than the full system cost.

Useful life for servers was changed from 6 years to 5 years effective 7/1/2006 due to warranty issues.

Audio Visual Equipment in City Council Chambers was added to the schedule effective 7/1/2007.

Jail Surveillance System at the Police Department was added to the schedule effective 7/1/2007.

Mobile Data Terminals were added to the Police Department effective 7/1/2006 and to Fire 7/1/2007.

Portable radios were added to the Police Department, the Fire Department and Community Services effective 7/1/2006. Mobile radios were added to the Fire Department as they are not recorded as a part of the setup of new vehicles as in the Police Department.

Traffic Citation Writers purchased with an Office of Traffic Safety Grant were added to the schedule effective 7/1/2007.

No cost of living increase was applied to communications equipment for 2012-13

Effective 7/1/2009 all computers, printers and peripherals for the Police Department will be budgeted in Information Technology.

Effective 7/1/2010 all computers and flat panel monitors will be kept in service for 4 years instead of 3 years. In order to replace monitors and pc's together, replacement date for monitors was matched to pc replacement dates.

Indicates equipment scheduled for replacement in FY 2014-15

# **GLOSSARY OF TERMS**

## ADA:

Americans with Disabilities Act

## Alternative Retirement System (ARS):

Alternative plan to Social Security for part-time employees. Funded solely through employee payroll deduction, contributions are made on a pre-tax basis resulting in greater net pay for covered employees. Contributions may be distributed or rolled over upon separation from the City (with certain limitations).

#### **Appropriation:**

Legal authorization by the City Council to make expenditures and to incur obligations for specific purposes.

#### **Assessed Valuation:**

A dollar value placed upon real estate or other property, by Los Angeles County, as a basis for levying property taxes.

## **Beginning Fund Balance:**

Fund balance available in a fund, from the end of the prior year, for use in the following year.

## **Budget:**

The financial plan for the operation of a program or organization that includes an estimate of proposed expenditures for a given period of time and the proposed means of financing those expenditures.

## CDBG:

**Community Development Block Grant** 

#### CUP:

**Conditional Use Permit** 

#### **Capital Improvement Project (CIP):**

Capital Improvement Projects typically improve City owned assets such as buildings, parks, streets and other infrastructure components. Capital projects often span more than one fiscal year.

#### **Capital Outlay:**

A budget category which accounts for all furniture, vehicles and equipment having a unit cost of \$5,000 or more and a useful life of more than one year.

#### **Department:**

An organizational unit comprised of divisions or programs. The City of Hermosa Beach has thirteen departments: City Attorney, City Manager, City Clerk/Elections, City Council, City Prosecutor, City Treasurer, Finance, Personnel, Community Resources, Police, Fire, Community Development and Public Works.

# **Division:**

An organizational unit within a department that handles a specific area of responsibility assigned to that department.

## Expenditure:

The cost of goods received or services rendered for the government unit.

# **Fiscal Year:**

A 12-month period of time to which an annual operating budget applies. The City of Hermosa Beach's fiscal year is July 1 through June 30.

## Fixed Asset:

Tangible property items such as land, buildings, vehicles and equipment which have a value over \$5,000 and a life over one year.

#### Fund:

A self-balancing set of accounts. Governmental accounting information is organized into funds, each with separate revenues, expenditures and fund balances. There are four major types of funds: General, Proprietary, Special Revenue, and Trust & Agency. Definitions of these funds are found under "Explanation of City Funds on page 3.

#### **Fund Balance:**

The difference between a fund's assets and liabilities. Portions of the fund balance may be restricted, committed, or assigned. See detailed explanation in "Understanding The Budget" in the introductory section of this document.

#### **Gann Appropriation Limit:**

Article XIIIB of the California Constitution was amended by Proposition 4, "The Gann Initiative," in 1979. This article limits the growth of governmental spending by multiplying the limit for the prior year tax proceeds by a growth factor. The 1979 base year limit amount consists of all tax proceeds appropriated in that year. Each subsequent year, the City Council adopts the revised appropriation limit annually, based on changes in the City or County population and changes in the California per capita (PCI) or nonresidential new construction.

#### Grant:

Contributions or gifts of cash or other assets from another entity. Grants are typically to be used or expended for a specific purpose.

#### **General Fund:**

The primary fund of the City, used to account for all revenues and expenditures of the City not legally required to be accounted for in another fund.

## **ICRMA:**

Independent Cities Risk Management Authority

#### Infrastructure:

The underlying foundation or basic framework of a system or organization, such as the roads, sewers, storm drains, etc.

#### Internal Service Charge:

A charge to department budgets designed to provide for the operation, maintenance and replacement of some shared City function. The City of Hermosa Beach uses internal service charges to provide for its City-wide computer network, operation and replacement of its vehicle fleet and allocation of insurance costs.

## MTA:

Metropolitan Transit Authority

## OPEB:

Other Post Employment Benefits such as health insurance

# **Operating Budget:**

The financial plan, excluding capital expenditures, for the operation of a program or organization that includes an estimate of proposed expenditures for a given period of time and the proposed means of financing those expenditures.

#### Property Tax In Lieu of Vehicle License Fees

During fiscal year 2003-04, the State dropped the Vehicle License Fee (VLF) from 2% of vehicle value to .67

Beginning in 2004-05, cities continued to receive the .67% portion of the fee directly from the State, with the State backfilling the 2% to .67% VLF reduction with an additional allocation of local property tax from County ERAF funds. This amount is identified as Property Tax In-Lieu of Vehicle License Fees in the Revenue Detail by Fund Report. At some point, the revenue may be merged with property tax revenue since from 2005-06 on, measurement and growth will be based upon assessed valuation instead of the original VLF valuation. It has been left as a separate line item at this time for presentation purposes and is included in the Property Tax Category in the pie charts in the Revenue section.

#### **Revenue:**

Item or source of income, such as from taxes, licenses, permits, etc.

#### Storage Lot Loan:

The City purchased property adjacent to City Hall in 2005 for \$4.4 million; the property had an existing lease to a self-storage business. Funds for the purchase came from the Contingency Fund, Equipment Replacement Fund and Insurance Fund. These funds are being paid back from the lease proceeds from the self-storage business. The City recorded an internal loan between these funds and the Downtown Enhancement Fund (where the property was recorded as an asset). The Downtown Enhancement Fund was closed in 2011-12 and the balances, including the internal loans, were transferred to the General Fund. The internal loan balance was repaid to the Insurance and Equipment Replacement Funds in 2011-12.

## TDA:

**Transportation Development Act** 

## Total (Memorandum Only) Column:

The total column of the City of Hermosa Beach Budget Summary captioned "Total (Memorandum Only)" does not present consolidated financial information and is presented only to facilitate financial analysis. Interfund eliminations have not been made in the aggregation of this data.

#### Transfer:

Moneys appropriated from one fund to another, in order to reimburse the fund for expenses or to finance the operation of the other fund. Transfers between a Proprietary Fund and a Governmental Fund, as in the case of the Insurance Fund, are budgeted as revenues and expenditures in the various funds, to comply with governmental accounting principles.
