Qualifications: Hermosa Beach City Clerk since 1989; 41 years of local government work experience; 49-year resident and homeowner; volunteer involvement with many community nonprofit organizations.

The City Clerk is a nonpolitical working office which requires an experienced, unbiased officer, able and willing to give a great deal of time to perform numerous duties and ensure compliance with all state/local legal requirements.

Statutory duties include: custodian of City records; elections official; FPPC filing officer (economic interest/campaign statements); Municipal Code/Conflict of Interest Code updates.

As your City Clerk, I instituted a records management program (which soon will include document imaging), the City's internet presence, and designation of the Clerk's office as a passport acceptance facility for the U.S. Department of State. My office administers the government access channels, maintains the City's website/online calendar, and manages all public record requests/complaints/customer surveys. I will continue working, with new technology, to maintain and improve open, public access to information and records.

I have lived and raised my family in Hermosa Beach since 1966. I know Hermosa Beach and its legislative history. I would like to continue using my knowledge and experience to serve my community. Thank you for your support.
