

STATEMENT OF STACEY ARMATO
CANDIDATE FOR MEMBER OF THE CITY COUNCIL
HERMOSA BEACH CITY GENERAL MUNICIPAL ELECTION

Age: 37

Occupation: City Councilmember/Attorney

Thank you for trusting me to serve as your councilmember. I'm the mother of three children, wife of a small business owner, homeowner, and an attorney.

I share your desire to build a strong and resilient financial foundation for a clean, green, and safe community. As a member of your City Council, I have supported:

- Funding capital improvements for sewers, streets, sidewalks, storm drains, and South Park
- Earmarking new, non-resident tax revenues to fund fire station improvements
- Allocating additional resources to our police department
- Establishing the citywide smoking ban, and enforcing the existing ban on short term vacation rentals in residential zones
- Ending the costly, decades-long threat of litigation from oil companies
- Business friendly measures: approving A-frame signs, extending holiday parking hours, and cleaning up the downtown

I am prepared to deal with the important decisions connected with the transition to a vastly improved fire service, the protection and preservation of open space, the proposed downtown hotel, and other private and public improvements.

I will continue to build consensus on city council while working with residents and business owners alike to move the city forward.

I respectfully ask for your vote.

STATEMENT OF MARY CAMPBELL
CANDIDATE FOR MEMBER OF THE CITY COUNCIL
HERMOSA BEACH CITY GENERAL MUNICIPAL ELECTION

Occupation: Business Consultant/School Board Member

It would be my honor to serve the residents and businesses of Hermosa Beach by bringing strong, fair-minded leadership and a fresh voice to our City Council.

I will continuously work to earn your trust as we build an ever-stronger community together.

Serving the last four years as your School Board Member I developed a record of accomplishment and trusted leadership. In 2016, while Board President, we successfully passed a much needed school facilities bond and helped preserve Hermosa's tradition of outstanding public schools.

During that process I helped facilitate a productive partnership with the City Council which will grow if I am elected and we work together to see these facilities projects through to fruition.

I believe my 17 years of executive leadership experience and business expertise will help me advocate for our local businesses, guide our comprehensive infrastructure plans, and preserve our safe, public spaces.

I will strive to bring people together as neighbors and advance the best of our collective ideas. Above all, I value community voice and involvement in determining the best future for our cherished beach city.

I respectfully ask for your vote and welcome your perspectives.

STATEMENT OF MATT MCCOOL
CANDIDATE FOR MEMBER OF THE CITY COUNCIL
HERMOSA BEACH CITY GENERAL MUNICIPAL ELECTION

Age: 43

Occupation: Business Process Engineer & Operations Consultant

I am a Southern California native and longtime visitor to Hermosa Beach. In 2012, I made a commitment to make this city my permanent home. I joined Leadership Hermosa Beach, and I am an active member of the community.

I am running for City Council to keep Hermosa the "Best Little Beach City," and I believe the current Council is too focused on political activism. IT'S TIME FOR CHANGE!

As your representative I will focus on:

Public Safety:

As a former reserve/volunteer firefighter, and current Emergency Preparedness Commissioner, I believe Public Safety must become a higher priority. My top goal is to establish a Public Safety Commission.

Environment:

As an avid outdoorsman, I have great respect for the environment. I will develop a practical and common sense environmental stewardship policy, and end the failed and divisive Carbon Neutrality policy.

Business:

As a business professional with 15+ years at Fortune 500 companies, I believe in fiscal responsibility and therefore greater accountability of government spending.

Service to others is part of my ethos. I serve our country in the United States Navy Reserve. It would be a great honor to serve our community.

I respectfully ask for your vote.
