**What is suspicious activity?** Anything that seems out of place or out of the ordinary in your neighborhood can be considered suspicious activity. Refer to the following page for more information.

## SUSPICIOUS ACTIVITY- FOLLOW YOUR INSTINCTS!

One of the most important roles you have as a member of our community is to report suspicious activity.

What is suspicious activity? Anything that seems out of place or out of the ordinary in your neighborhood can be considered suspicious activity.

Examples of suspicious activity include, but are not limited to:

A person or vehicle stays in the same place for an unusual length of time.	A vehicle drives around your block frequently, slowing down, speeding up.
A parked car with the engine running- regardless of a person inside or not.	A vehicle without lights on, arriving or leaving at night.
A person behaves strangely or exhibits unusual movements, looks out of place, or is wandering aimlessly.	A person running from a home for no apparent reason, especially at night.
A person concealing an object, carrying a weapon or suspicious bag.	A person sells/conducts business out of their car, van, truck, or other vehicle.
A person looking into cars, moving from car to car, and/or tries door handles.	A person looking into windows of homes, or forcibly entering a car or home

Many activities can be considered suspicious, and there could be reasonable explanations for some suspicious activities. By thinking things through, being observant and using commonsense, you will be able to make good judgment about whether an activity is suspicious. Your role as a concerned citizen is to report whatever you think is wrong or suspicious.

### **REPORT SUSPICIOUS ACTIVITY BY CALLING NON-EMERGENCY DISPATCH AT 310-524-2750 OR 9-1-1**
